TECHNICAL EVALUATION SCORECARD: REMOVAL OF JET PUMPS_PLATFORMS AND REPAIRS OF PRESSURE VALVES AT SANDERPASS, TMPA PORT OF NGQURA.

Technical Evaluation Sheet

Evaluator Name:- **Date:-**

No	Category	Total Weight	Weight	Requirements	Type of Proof / Detail to be submitted	Model Answer	Score			Weighted Average Score	Weighted Total Score
	Scope of Work: EvaluationCriteria					2 - The bidder fully meets requirements and value adding is extensive 1 - Meets critical requirements 0 - Partially meets requirements					
1	Dredging and Fluid Based Specialist	70				Dredging and Fluid Based Specialist	Bidder 1	Bidder 2	Bidder 3		
1.1	**The Bidder must have a solid proof of intensive 10 years in Dredging Environment and Fluid projects**		25	Portfolio of Evidence	Bidder to submit a company registration letter and historical data, indicating the years of the Bidder's existence in the Dredging Environment and Fluid Projects.	Model Answer 2 = 11-15 years of Bidder's existence with corresponding historical data 2 = 6-10 years of Bidder's existence with corresponding historical data 1 = 1-5 years of Bidder's existence with corresponding historical data 0 = No Response	0	0	0	-	-
2	Lifting Equipment and Tools for the Works	30				Lifting Equipment and Tools for the Works	Score				
2.1	**Bidder must have proof indicating eligibility to provide suitable skills, equipment and tools to conduct all the required work.**		25	Bidder to provide evidence of available skills, equipment and tools suitable for the Works.	Company letter or partnership letter from a reputable Dredging or Fluid company confirming Lifting/Rigging Equipment, Dredging tools and Equipment, Riggers and Advisers.	Model Answer 1= Bidder employed Advisers and own Lifting/Rigging Equipment and Tools 2= Letter/Proof to evidence the lifting or rigging equipment and tools 1= Letter of Partnership from a reputable Dredging/Fluid company 0 = No Response/ No skills, Equipment and Tools	0	0	0	-	-
3	<10 Years Experience with Pressure Valves	20				Model Answer	Score				
3.1	**The Bidder must produce proof that it has supplied and fitted Pressure Valves for Water Systems.**		20	Bidder to submit proof of reference, or portfolio of evidence to substantiate the experience in supply and maintenance of Pressure Valves for Water Systems.	Bidder to submit proofs of reference, Original invoices or signed reference letters of the last 5 years, or testimonial letters on clients company letterhead indicating atleast more than 10 years experience.	2= 8-10 years of experience 1= 4-6 years of experience 1= 1-3 years of experience 0 = No Response/	0	0	0	-	-
4	>10 Years of Experience in Dredging and Rigging	10				Model Answer	Score				
4.1	**Bidder to provide proof of experience in Dredging and Rigging**		15	Bidder to submit proof or reference, or portfolio of evidence to substantiate the experience in Dredging, Rigging, hydropower plants, the slurry and/or water treatment plants, testimonial from hydropower plants	Bidder to submit (Original invoices or signed reference letters of the last 5 years, or testimonial letters on clients company letterhead indicating atleast more than 10 years experience. Dredging, Rigging services, hydropower plants clear letters must have a company letterhead indicating atleast more than 10 years experience.	Model Answer 3 = 8-10 Years of experience 2= 4-6 years of experience 1= 1-3 years of experience 0 = No Response/	0	0	0	-	-
5	Warranty (Components)	10				Model Answer	Score				
5	**Warranty for components supplied**		15	Certificate or formal letter of warranty for all supplied components.	Certificate or formal letter of warranty(Proof of Warranty) for all repairs and components supplied. **(Letter of intent)**	2 = 10-12 months written warranty provided 2 = 7-9 months written warranty provided 1 = 5-6 months written warranty provided 0 = No Response or no letter sub-mitted	0	0	0	-	-
6	Warranty (Service and Repairs)	5				Model Answer	Score				
6	**Warranty for Work performed**		5	Certificate or formal letter of warranty for all work done	Certificate or formal letter of warranty for all repairs and components supplied **(Letter of intent)**	2 = 10-12 months written warranty provided 2 = 7-9 months written warranty provided 1 = 5-6 months written warranty provided 0 = No Response or no letter sub-mitted	0	0	0	-	-
