ANNEXURE G - TECHNICAL EVALUATION MATRIX

TENDER:						Bidder Responses							
Techincal Evaluation Criteria: Proposed Software	**RFP Reference**	**Admissable Evidence**	**Weightings**	**Scoring**	**Evidence**	**Bidder 1**	**Bidder 2**	**Bidder 3**	**Bidder 4**	**Bidder 5**	**Bidder 6**	**Bidder 7**	**Bidder 8**
Compliance with similar/equivalent technical capability, functionality and benefits of the existing software	Completion of Annexure F: Questionnaire	Tenderer to complete Annexure F: Questionnaire and submit same together with the supplementary documents as required with the tender submission.	20%	Fully comply = 20% Do not fully comply = 0%	Based on Annexure F: Questionnaire response								
Timelines for the complete installation of proposed software	Completion of Annexure F: Questionnaire	Tenderer to complete Annexure F: Questionnaire and submit same together with the supplementary documents as required with the tender submission.	5%	Less than 2 weeks = 5% Less than 4 weeks = 3% More than 4 weeks = 0%	Based on Annexure F: Questionnaire response								
Proficiency of users between current and proposed sofware	Completion of Annexure F: Questionnaire	Tenderer to complete Annexure F: Questionnaire and submit same together with the supplementary documents as required with the tender submission.	5%	Less than 2 months = 5% Less than 4 months = 3% More than 4 months = 0%	Based on Annexure F: Questionnaire response								
Central server software systems for multiple user installations	Completion of Annexure F: Questionnaire	Tenderer to complete Annexure F: Questionnaire and submit same together with the supplementary documents as required with the tender submission.	10%	Fully comply = 10% Do not fully comply = 0%	Based on Annexure F: Questionnaire response								
Dependent software requirements from Transnet	Completion of Annexure F: Questionnaire	Tenderer to complete Annexure F: Questionnaire and submit same together with the supplementary documents as required with the tender submission.	10%	Transnet NOT required to supply the dependent license = 10% Transnet required to supply the dependent license = 0%	Based on Annexure F: Questionnaire response								
Migration of current software data format, storage and control system to proposed software data format, storage and control system	Completion of Annexure F: Questionnaire	Tenderer to complete Annexure F: Questionnaire and submit same together with the supplementary documents as required with the tender submission. In addition the tenderer must have presented a software data migration demonstration to the technical evaluation panel	20%	Fully comply = 20% If TE needs license = 15% Partially or do not comply = 0%	Based on Annexure F: Questionnaire response and demonstration to technical evaluation panel								
Software technology demonstration to confirm technical and performance compliance of the proposed software	Completion of Annexure F: Questionnaire	Tenderer to complete Annexure F: Questionnaire and submit same with the tender submission. In addition the tenderer must have presented a software technology demonstration to the technical evaluation panel	10%	Fully comply = 10% Do not fully comply = 0%	Based on Annexure F: Questionnaire response and demonstration to technical evaluation panel								
All software packages must be provided with annual software maintenance support	Completion of Annexure F: Questionnaire	Tenderer to complete Annexure F: Questionnaire and submit same with the tender submission.	20%	Fully comply = 20% Do not fully comply = 0%	Based on Annexure F: Questionnaire response								
		TOTAL:											
		THRESHOLD LIMIT: 80%
