RE: INVITATION TO TENDER (E1261GXMPKRI)

Dear Sir/ Madam

Kindly refer to the above subject.

After careful deliberation, we regret to advise that Eskom Holdings SOC Limited would like to cancel the tender **FOR REFURBISHMENT OF MEDIUM VOLTAGE MOTORS, AS STOCK ITEMS ON AN "AS AND WHEN" REQUIRED BASIS FOR A PERIOD OF FIVE YEARS FOR KRIEL POWER STATION, MAIN STORES**.due to the following reason/s:

Following a detailed review of the tender documentation prior to award, it was identified that the tender pack documents were not aligned, specifically between the Quantity Surveyor (QS) estimate and the issued scope of work. Furthermore, the scope contained irregularities and non-essential line items, which would directly distort supplier pricing and compromise value for money.

Therefore, as a result the tender is being cancelled as proceeding under these conditions would result in inaccurate pricing, potential contractual disputes, and an inability to achieve fair and competitive outcomes.

Eskom would like to take the opportunity to thank you for participation in the above.

Yours Faithfully
