

Chair Medium Back (Leather)

- **Swivel & Tilt Mechanism**
Enables smooth 360° rotation and tilt functionality for dynamic movement and comfort throughout the day.
- **Lockable in Upright Position**
The tilt mechanism can be securely locked in an upright position to provide stable support when needed.
- **Tension Adjustment**
Customizable tilt tension allows users to adjust the resistance of the reclining function, offering a personalized balance for different body weights and preferences.
- **Gas Height Adjustment (Seat Height Adjustment)**
Pneumatic lift for effortless seat height adjustment, ensuring proper ergonomic positioning for a wide range of users.
- **Fixed Nylon Flexi Armrests**
Durable and slightly flexible armrests designed to offer steady arm support without restricting movement.
- **5-Star Nylon Base with 50mm Castors**
Strong and stable five-point base fitted with smooth-rolling 50mm castors for easy mobility on most surfaces.
- **Black Vinyl Upholstery**
Easy-to-clean, hard-wearing black vinyl provides a sleek appearance while offering resistance to daily wear and spills.
- **120 KG Weight Rating**
Engineered to support users up to 120 kilograms, ensuring stability and safety for a wide range of body types.
- **Warranty**
5 Years Warranty

A handwritten signature in black ink, appearing to read 'W. Edwards', is written over a horizontal line. There are additional scribbles and a small mark to the right of the signature.
