Non-Compulsory Clarification Meeting: 24 July 2026 from 10h30 to 13h30 SAST

Enquiry Closing Date and Time: 21 August 2026 at 10h00 SAST

Validity period: 40 weeks from closing date and time

Scope: Execution and completion of stage 1 - initial phase and stage 2 - execution phase, of the NTCSA Industrialisation Strategy by the end of fy28 for a period of two (2) years.

No Late Submission(s) will be accepted under any circumstances – **not even by a second**

- The tenderer will notify NTCSA of any clarifications required before the closing time for clarification queries, which is 5 (five) working days before the deadline for tender submission. This includes the requests for extension for tender closing date.
- Any addenda or clarifications to the Invitation to Tender (ITT) will be posted on the e-tender portal and the Tender Bulletin. Tenderers must review these platforms for updates before finalizing their bid submissions. NTCSA will not be responsible for any disadvantages or disqualifications resulting from Tenderers not accessing the latest ITT information.
- All questions and clarifications pertaining to this enquiry will be in writing only and addressed via email to the NTCSA Representative RamushNP@ntcsa.co.za. Answers will be uploaded on the National Treasury e-tender portal and NTCSA tender bulleting only and no individual responses to tenderers will be sent.
- Tenders are to be submitted **electronically** via Eskom E- tendering site by the stipulated closing date and time.

- For Electronic Tender Submissions
- The tenderer must upload the tender via NTCSA Tender bulletin site on the Eskom E- tendering page. The documents need to be upload under the folder Technical, Commercial, Financial, and other.
- All documents need to be submitted in a PDF and Excel format (The limit is 50MB per file and total submission of 900MB per submissions). The price list needs to be submitted in PDF and a copy in excel format
- No Zip/condense files can be uploaded
- No hard copy will be accepted
- If for some reason you resubmit your tender, then the latest version of the tender submitted will only be accepted and all previous submission/s will be null and void.
- Please ensure that the submission status is indicated as complete.
- Please note it is the responsibility of the supplier to ensure that the tender submission is uploaded before tender closing time.
- Supplier Help Manual guide and video can be found on Eskom E-Tendering page

- The tender shall be for the whole of the contract. Whole denotes the Execution and completion of Stage 1 - Initial Phase and Stage 2 - Execution Phase, of the NTCSA Industrialization Strategy by the end of FY28. Refer to the attached scope of work.

Note:

- A tenderer/s who provides an offer for part of the scope will be disqualified and not be evaluated further.

Tender conditions

The tender validity period is 40 weeks:

NTCSA may extend the validity period for a specified additional period. Should extension of validity be required by NTCSA, tenderers agreeing to the request will not be required or permitted to modify a tender. If a tenderer modifies a tender, such a tender will be disqualified from the evaluation process.

Alternative proposals are not allowed.

The conditions of contract will be the NEC3 Professional Service Contract.

Basic compliance with this enquiry requires a tenderer to meet all the following requirements:

- Meet the eligibility criteria for a tenderer
- Submit a complete tender with commercial, financial and technical information.
- Submission of the mandatory commercial tender returnables as at stipulated deadlines.

For E-Tendering, a tenderer's failure to have submitted/uploaded tender documents will render the tender non-responsive.

Functionality requirements

- Technical Team will cover this on their presentation

Evaluation of prices

QS and Finance Team will cover this on their presentation

Note: Prices will be scored out of [80 or 90] points

Specific Goals & Objective criteria

Specific goals will be scored out of [20 or 10] points in accordance with the PPPFA.

If a tenderer fails to submit evidence of its points claim for a Specific Goal, it will not be disqualified. However, it will be awarded 0 points for that Specific Goal.

Objective criteria are applicable as follows:

- i. Local procurement content
- ii. BBBEE Improvement or Retention Plan
- iii. Jobs created and retained
- iv. SDL&I Retention and Performance Security
- v. Skills development

Mandatory Contractual Requirement that must be included in all tenders is the following:-

- Proof of CSD registration

Additional Contractual Requirements:

- Financial analysis.
- Supplier screening.
- Quality requirements
- Environmental requirements.
- OHS requirements.

Supplier screening of the recommended tenderer/s will be conducted by State Security Agency (SSA). NTCSA reserves the right not to award a contract to the tenderer/s or terminate a contract with a supplier should the results of the screening deem it necessary to terminate.

Failure to meet stipulated Contractual Requirements by the stipulated deadlines **may** result in the tenderer being regarded **as non-responsive** and ineligible for

Mandatory Contractual Requirements that must be included in all tenders is the following:-

- Proof of CSD registration

The following will form part of the contractual requirements at contracting phase and will not constitute evaluation criteria:

- Financial analysis.
- Proof of company screening request.
- Quality requirements.
- Environmental requirements.
- OHS requirements.

Contractual Requirements are not evaluation criteria. They will be assessed after the evaluation and ranking of the tenders. Proof that the tenderer recommended for award has met the stipulated contractual requirements must be submitted prior to contract award.

Failure to meet stipulated Contractual Requirements by the stipulated deadlines may result in the tenderer being regarded as non-responsive and ineligible for contract award.
