5. THE BIDDING SELECTION PROCESS

<u>Stage 1 – Compliance to submission requirements</u> Bidders warrant that their proposal document has, as a minimum; the specified documents required for evaluating their proposals as set out in the Returnable Document List and conform to all the terms, conditions, and specifications as set out in this document.
<u>Stage 2 – Evaluation of Bids against Technical Specifications</u> Bidders achieving the minimum threshold in the specification to enter the Price/Preference scoring stage:
<u>Stage 2A – Evaluation of Bids against Specifications including Quality</u> The NRF evaluates each bidder's written response to the specifications issued in accordance to published evaluation criteria set out in this document.
<u>Stage 2B – Due Diligence Interviews or Proof of Delivery/Concept against Specifications</u> Where circumstances justifies it, the NRF conducts interviews with shortlisted bidders for them to present further

TERMS AND CONDITIONS FOR BIDDING (SBD 1B)

information or provide further proof to the evaluation committee. In these cases, the National Research Foundation provides the areas of concern to the short listed bidders to address in their presentations with this document and, where necessary, may provide further areas of concern to the short listed bidders at this stage.

Stage 2C – Due Diligence Research

The National Research Foundation confirms the recommended bidder(s)'s reference letters with referees to confirm the recommendation(s).

Stage 3 – Price/Preference Evaluation

Basis of fair competition:

The NRF compares each bidder's pricing proposal on an equal and fair comparison basis equitable to all bidders, taking into account all aspects of the bid's pricing requirements including the application of fair pricing tests as set out below in the section "Insufficiency of Funds".

Ranking of the bidders pricing:

The NRF ranks the qualifying bids on price with lowest priced Bid receiving the maximum points (either 80 or 90) and the remainder ranked in relation to the lowest priced bid. The NRF adds the bidders' claimed preference points as verified to the submitted preference claim form (SBD 6.1) to provide the final ranking for the award decision.

Stage 4 – Checking Tax Compliance

Stage 4A – Taxpayers Resident in South Africa

The NRF notifies the recommended bidder in writing where their tax compliance check reflects that they are non-compliant and provides the recommended bidder seven (7) working days to submit written proof from SARS of their tax compliance status or proof that they have made an arrangement with SARS to meet their outstanding tax obligations. Failure to deliver such written evidence of compliance results in the rejection of that recommended bid.

Stage 4B – Non-Resident Foreign Bidders

Where foreign bidders are submitting a bid, they complete all sections of the SBD1 especially the tax questionnaire. The NRF submit the Foreign Bidder's completed SBD1 to the South African Revenue Service to obtain from the South African Revenue Service the Confirmation of Tax Obligations letter. Where South Africa Revenue Services does not issue the letter, Stage 4A applies in clearing the reason for not receiving the letter.

Stage 5 – Award and Contract Signing

The NRF nominates the bidder with the highest combined score for the contract award subject to the bidder having supplied the relevant administrative documentation.

6. ACKNOWLEDGEMENT OF READING EACH PAGE

The bidder warrants by signature in this document that the bidder has read and accepts each page.

7. CENTRAL SUPPLIER DATABASE REGISTRATION

Bidders are requested to register on the Central Supplier Database and to include in their bid their Master Registration Number (Supplier Number) in order to enable the NRF to verify the supplier's tax status on the Central Supplier Database.

8. CLARIFICATION

If the respondent wishes to clarify aspects of this request or the acquisition process, they contact the officials listed under the enquiries section above. The National Research Foundation does not provide the origin of the request to any party.

9. RESPONSE PREPARATION COSTS

The NRF is not liable for any costs incurred by a bidder in the process of responding to this Bid Invitation, including on-site presentations.

10. COLLUSION, FRAUD AND CORRUPTION

Any effort by Bidder/s to influence evaluation, comparisons, or award decisions in any manner will result in the rejection and disqualification of the bidder concerned.

11. FRONTING

The NRF, in ensuring that bidders conduct themselves in an honest manner will, as part of the bid evaluation processes where applicable, conduct or initiate the necessary enquiries/investigations to determine the accuracy of the representation made in the bid documents. The onus is on the bidder to prove that fronting does not exist, should the National Research Foundation establish and notify the bidder of potential breaches of any of the fronting indicators as contained in the Department of Trade and Industry's "Guidelines on Complex Structures and Transactions and Fronting". Failure to do so within a period of 7 days from date of notification will invalidate the bid/contract and may also result in the restriction of the bidder to conduct business with the public sector for a period not exceeding 10 years, in addition to any other remedies the NRF may have against the bidder concerned.

12. DISCLAIMERS

The NRF has produced this document in good faith. The NRF, its agents, and its employees and associates do not warrant its accuracy or completeness. The NRF makes no representation, warranty, assurance, guarantee or endorsements to any provider/bidder concerning the document, whether with regard to its accuracy, completeness or otherwise and the NRF shall have no liability towards the responding service providers or any other party in connection therewith.

13. CANCELLATION OF THE QUOTATION PRIOR TO AWARD

Procurement not required: The NRF cancels the Bid Invitation prior to making an award if due to changed circumstances there is no need for the specified procurement in the document.

No Acceptable Quotations: The NRF cancels the Quotation Invitation prior to making an award if it receives no acceptable bids i.e. that do not meet the minimum requirements set out in this document.

Invalid Bid Procedure: The NRF cancels the Quotation Invitation prior to making an award if a material irregularity occurred in the bid process.

Insufficiency of Funds at date of Award: The NRF cancels the Quotation Invitation prior to making an award if the funds are no longer available to cover the total estimated contract value at the date of the evaluation.

Quoted Prices are within a fair price range: The NRF cancels the Quotation Invitation where the offered price is defective as being too low or too high to the identified fair price range. The NRF conducts fair pricing tests to arrive at an opinion of reasonableness of the offer price. Where these tests reflect pricing outside of the established fair price range, the evaluators may recommend price negotiation and no other component. The NRF starts negotiation with the winning bidder or, where that bidder refuses negotiation, with the next ranked bidder in the price/preference ranking until a market related price is achieved.

SBD 1 SIGNATURE

NB: FAILURE TO PROVIDE / OR COMPLY WITH ANY OF THE ABOVE PARTICULARS MAY RENDER THE BID INVALID.

SIGNATURE OF BIDDER:

SCOPE OF WORK

INTRODUCTION TO THE NRF

The National Research Foundation Act, Act 23 of 1998, establishes the National Research Foundation ("NRF") as the juristic person that makes this bid invitation and will contract with the awarded bidder. The Public Finance Management Act classifies the organisation as a Schedule 3A Public Entity.

The NRF is the government's national agency responsible for promoting and supporting research and human capital development through funding, the provision of National Research Facilities and science outreach platforms and programs to the broader community in all fields of science and technology, including natural science, engineering, social science and humanities.

The **South African Institute for Aquatic Biodiversity (SAIAB)**, based in Makhanda formerly known as Grahamstown, Eastern Cape, is a **National Research Facility of the National Research Foundation**, a public entity, established in terms of the National Research Foundation Act No. 23 of 1998. SAIAB is an internationally recognised centre for the study of aquatic biodiversity.

CONTEXT OF THIS PROCUREMENT

SAIAB intends to appoint a service provider for hosting of various events for a period of three (3) years.

The contract will include an initial hosting of the SAIAB Student Symposium to be held in December 2022. Other hosting of events will be based on an as and when required basis.

The Bidders must demonstrate their experience in hosting online, hybrid and in person/physical events, conferences and live streaming the events to platforms such as YouTube and Zoom etc.

The Bidder must demonstrate experience in:

- Live events and project management; and
- Providing full technical and production teams

The contract will include initial requirement for the annual SAIAB Student Symposium which will be running for its fourth year in 2022 since its inception in 2019, for which the required services are specified in the pricing schedule below, and downstream requirements will be based on needs and the availability of funding. Downstream requirements are not limited to the items specified in the initial purchase so long as they fall within the broad bid description of "events hosting".

CONTRACT PERIOD

The contract period for this bid contract is three (3) years.

- Producing a post webinar report and recordings

The following services are required for hosting of hybrid (physical & virtual broadcast) events:

The Bidder must have the technology/ infrastructure to host hybrid events, i.e. physical events with the capabilities of broadcasting the event to an online audience and provide for live streaming of the main event to platforms such as e.g. YouTube

and Zoom etc. The bidder must be able to do this at a SAIAB venue and/or be able to provide a venue (particularly in Makhanda) with the technology to host a hybrid event through the leasing of a conference or auditorium venue. Including providing a technical/support team for the hybrid event.

The following services are required for hosting of on-site (physical) events:

Venue set-up:

- Be able to set-up at a SAIAB venue or hire/ provide any other venue/ auditorium to SAIAB (particularly within Makhanda).
- Coordinate any stage set-up, design elements such as décor and production equipment, and related items.
- The venue set-up should be completed on time to accommodate a dry run and rehearsal at least a day before the event.
- Dismantle the set-up at the venue immediately after the event.

Entertainment

- The successful Bidder must be able to provide entertainment sets such as a live musical or instrumental performance piece, however, SAIAB is open to different ideas depending on the project plan for the specific event, appoint a skilled individual(s) to act as master of ceremonies and other performance related services/support.
- Provide event collateral such as the design of invites, reminders, registration, backdrop for photos and more.

Videography

The successful Bidder will be required to:

- Produce audio-visual content of the event;
- Develop and produce raw footage of the whole event;
- Produce and develop edited video of the event's highlights as requested, including: editing of content, pre-production, production and post-production and provide services of a voice-over artist to record voiceovers for the event if required.
- Service provider may be required to shoot professional promotional & educational videos for SAIAB at SAIAB sites such as the SAIAB building, associated labs and on SAIAB infrastructures such as boats to profile SAIAB's work including the production of professional videos such as the company's induction video.
- Develop a storyboard and script as when required for the particular video production, and any other requirements as per project brief.
- Must have own camera/video recording equipment and editing software/systems.
- Videos must be supplied to SAIAB either via a USB, downloadable link or shared type of online file storage such as Google Drive, as required.

Photography

- SAIAB requires high-resolution quality photographs for its events, and the successful Bidder will have to engage the services of a photographer(s) who will provide all photography services for actual and post event. Photographers must have their own equipment.
- Production of social pictures of the delegates at all interactions; before the event, inside the main venue and during the function, group photos etc.
- SAIAB may require the professional photography services for taking an annual staff photo, professional photos for its website, provide a backdrop for photos and such related services.

Photos must be supplied to SAIAB either via a USB, downloadable link or shared type of online file storage such as Google Drive, as required.

Initial requirement for the annual SAIAB Student Symposium

The annual SAIAB Student Symposium will be running for its fourth year in 2022 since its inception in 2019. The Symposium happens every year in the first week of December and is a full day event (from 8h00 to 18h00). The platform provides an opportunity for SAIAB researchers, students and postdoctoral fellows to showcase their work and the Institute to a public audience. The event offers more than 60 research talks, presented under a number of themes, including live presentations by keynote speakers. Every year, the Symposium centres around diversity, accessibility and encourages scientists to make their work more accessible to ordinary citizens. As such, the Symposium has also become a major science engagement target for SAIAB's SE KPIs to NRF-SAASTA and is targeted annually in our Science Engagement (SE) commitments for 'Number of interventions implemented for the general public' SE Output.

GENERAL CONDITIONS OF CONTRACT

The National Research Foundation cannot amend the National Treasury's General Conditions of Contract (GCC). The National Research Foundation therefore appends Special Conditions of Contract (SCC) providing specific information relevant to a GCC clause below the relevant GCC. The National Research Foundation has filed its General Conditions of Contract (GCC) on its website (<http://www.nrf.ac.za/procurement/General-Conditions-of-Contract>). These form part of this document's contract conditions. The NRF deems the bidder to have accessed and read the General Conditions of Contract. Whenever there is an unintended conflict, the provisions of the Special Conditions of Contract, listed below, shall prevail over the General Conditions of Contract.

SPECIAL CONDITIONS OF CONTRACT

- 1 **Implementation Planning and Project Management:** The contracted provider will arrange an initial meeting to determine delivery execution with the assigned NRF project team. Both parties will review the proposed project execution plan submitted with the bid and agree on the finalised timetable stating clearing commence date and completion date of each stage of the implementation. Special conditions pertaining to project management are listed below (if applicable).
- 2 **Performance verification:** In terms of GCC Clause 16 read with the SCC Clause 16.2A, the NRF appointed contract manager or agent verifies that the performance of this contract in terms of services, delivery service, goods, labour and any other element specified in this contract is at the contracted performance level and/or the goods meet the contracted specifications with the represented of the contracted provider. Both parties verify this through signing the verification documentation. Both parties, at this time, agree on quantity, unit cost and total value on the same signed document.
- 3 **Software Maintenance Service:** The contracted provider, during any paid software maintenance service term, provides software maintenance service for the licensed program(s) which consist of delivering subsequent releases of the program, if any; exerting reasonable efforts to both (a) provide, within a reasonable time, workarounds for any material programming errors in the current release of the program that are directly attributable to the contract provider, and (b) correct such errors in the next available release, provided the NRF provides the contract provider with sufficient information to identify the errors. The NRF, during the same paid software maintenance service term, is entitled to receive technical support for the current release. Technical support means assistance by telephone, fax, electronic mail, and any digital communication methods with the installation and/or use of the then-current release of the licensed program, including all available bug fixes and patches, and their interaction with the supported hardware and operating systems ("Platforms").
- 4 **Contracted Party Due Diligence:** The NRF has the right to conduct supply chain due diligence including site visits and inspections at any time during the contract period.
- 5 **Communication:** The contracted parties communicate in writing through mail, delivery, or email. The contracted party states the contract number and purchase order number, if the latter is applicable, on communication documentation. The contract party does not act upon any communication without the contract number or must verify such communication with the assigned NRF contract manager prior to acting upon it.
- 6 **Occupational Health and Safety when working on NRF sites:** All personnel performing work on NRF site/s as part of this contract are responsible to obtain safety induction.

Over and above the obligations provided by the Occupational Health and Safety Act (OHS Act No 85 of 1993 and its Regulations, known as 'the Act'), the contracted party meets with all relevant health and safety instructions as given to them by site safety personnel, where relevant. Personal protection equipment including closed safety shoes, hard hats, height safety equipment, and high visibility vests are worn at all times while on the work site. All personnel are to obey the

GENERAL CONDITIONS OF CONTRACT

relevant instructions, including signage, related to restricted access and speed limits on all sites.

The contracted party, once signing the contract (SBD 7), is responsible for itself, its employees, and those people affected by its operations in terms of the Act the regulations promulgated in terms thereof. The contracted party performs all work and uses equipment on site complying with the provisions of the Act.

To this end, the contracted party shall make available to the NRF on the valid Letter of Good Standing in terms of the COID Act and ensures its validity does not expire while executing this bid, where applicable. The contracted party furnishes its registration number with the office of the Compensation Commissioner. The contracted party enters into a Section 37.2 agreement in terms of Occupational Health and Safety Act (OHS Act No 85 of 1993 and its Regulations) that the NRF drafts.

The contracted party maintains a health and safety plan complying with the requirements of The Act at the work site during the period that contracted work takes place on the site.

The NRF manages the contracted party in his capacity for the execution of this contract to meet the provisions of the said Act and the regulations promulgated in terms thereof. The contracted party accepts liability for any contraventions to the Act. Each member of the contracted party's team (including sub-contracted personnel), submit a signed indemnity form prior to entering the work site and kept in the contracted party's health and safety file.

- 7 The contract price is subject to contract price adjustment in accordance with the actual increase or decrease resulting from the change, imposition, or abolition of customs or excise duty and any other duty, levy, or tax, which, in terms of the law or regulation, is binding on the service provider and demonstrably has an influence on the price of any supplies, or the rendering costs of any service, for the execution of the contract.

MANAGEMENT OF PERFORMANCE LEVELS

1. The Performance Levels are in the table below.
2. The NRF measures the contracted bidder's performance against these in the execution of the contract.
3. The contracted bidder recognises that its failure to meet the performance levels has material adverse impact on the operations of NRF and that the damage from the contracted bidder's failure to meet any performance level is not susceptible to precise determination.
4. The NRF excuses the contracted bidder from failing to comply with the performance levels to the extent that non-performance or delayed performance is solely and directly attributable to an act or omission of the NRF or its staff or circumstances of force majeure as referred to in this Agreement.
5. If the contracted bidder fails to meet any performance level:
 - a) The contracted bidder shall investigate and report on the root causes of the performance level failure;
 - b) Promptly correct the failure and begin meeting the set performance levels;
 - c) Advise the NRF as and to the extent requested by the NRF of the status of remedial efforts being undertaken with respect to such performance level failure; and
 - d) Take preventive measures to prevent the recurrence of the performance level failure.

MANAGEMENT OF PERFORMANCE LEVELS

6. Both parties are responsible for monitoring and measuring the performance of the contracted bidder against the performance levels set in this document. The NRF deems failure by the contracted bidder to measure performance with respect the contract specifications for any measurement period as a failure to meet the stipulated performance levels.

PERFORMANCE LEVELS STATEMENT

Service/Goods being Measured	Measurement Methodology	Penalty/Bonus and level applicable from
Level of Quality of the specified goods and/or services	Both parties jointly check and confirm specifications are met	Negative results during supplier performance review
Timeous delivery of the specified goods and/or services	Delivery delay exceeding 5 working days from the delivery date set in the placed purchase order	10% of invoice value and the penalties in GCC 22 in the general clause section
