		Review Date	September 2022		

To claim preference points as specific goals, a tenderer must submit the following documentation:

- Valid B-BBEE certificate issued by a SANAS accredited verification agency / sworn affidavit /CIPC affidavit.
- Proof of ownership (CIPS documentation) and breakdown of Shareholding information
- Certified ID copies of shareholder(s)
- Proof of Disability (where applicable).

A tenderer failing to documentation for the allocation of preference points will not be disqualified, but-
may only score points out of 90/80 for price
scores zero points out of 10/20 for specific goals.

A tenderer may not be awarded points for specific goals if the tender documents indicate that the tenderer intends subcontracting more than 25% of the value of the contract to any other person not qualifying for at least the points that the tenderer qualifies for.

Section 2: Objective Criteria - May change award from the highest ranked tenderer to another tenderer in **accordance with the requirements of the PPPFA [clause 2(1)(f)]**:

2.1 Designated Sectors: It is applicable as the scope of work contains products/goods, material, components and parts that are designated which means that they have stipulated minimum threshold for Local Production and Content that must be complied with before the Contract is awarded, or the Tenderer should obtain an exemption from the Department of Trade, Industry and Competition.

a) Is this Commodity or part of it a Designated Sector?

YES	NO
<input type="checkbox"/>	<input checked="" type="checkbox"/>

Please indicate below Designated Components:

Section 3: Contractual Requirements - Contractual requirements are not evaluation criteria. They are required to be met and assessed after the evaluation and ranking of the tenders.

3.1. CIDB Skills Development Goals (CSDG)

a) Is there CIDB compulsory training?

YES	NO
<input type="checkbox"/>	<input checked="" type="checkbox"/>

If yes, what is the % of the Construction Skills Development Goal % (CSDG)

If the answer above is Yes, it will then become a condition for Contract Award:

		Review Date	September 2022		

- The Contractor shall submit an SDL&I Performance Guarantee equivalent to 2.5% of the Contract Value and shall only be released to the Contractor upon fulfilment of all SDL&I Obligations or alternatively, however the retention of 2.5% of every invoice will be deducted if the tenderer cannot afford to raise the bond.

Section 5: Reporting and Monitoring

- The suppliers shall on a quarterly basis submit a report to Eskom in accordance with Data Collection Template on their compliance with the SDL&I obligations described above.
- Eskom shall review the SDL&I reports submitted by the suppliers within 30 (thirty) days of receipt of the reports and notify the suppliers in writing if their SDL&I obligations have not been met.
- Upon notification by Eskom that the suppliers have not met their SDL&I obligations, the suppliers shall be required to implement corrective measures to meet those SDL&I obligations before the commencement of the following report, failing which Retention clauses shall be invoked.
- Every contract shall be accompanied by the SDL&I Implementation Schedule which must be completed by the suppliers and returned to SDL&I representative for acceptance 28 days after contract award. This will be used as a reference document for monitoring, measuring, and reporting on the supplier's progress in delivering on their stated SDL&I commitments
