This addendum refers to section 7.1 Stage 2 of the evaluation criteria. After receiving communication from bidders and further research on our side, it was deemed necessary to amend criteria (b).

Current criteria:

Bidder must be at minimum, a Microsoft Azure Expert Managed Services Provider (MSP). (Submit valid/updated certificate). The certificate must also be valid/current during the contract period.

In the case of a Joint Venture, the lead partner must be at minimum Microsoft Azure Expert Managed Services Provider

New criteria:

The bidder must be part of The Microsoft AI Cloud Partner Program with following solutions partner designations:

1. Solutions Partner for Data & AI (Azure)
2. Solutions Partner for Digital & App Innovation (Azure)
3. Solutions Partner for Infrastructure (Azure)

A valid/up to date certificate must be submitted with the response.

The certificate must also be valid/current during the contract period.

In the case of a Joint Venture, the lead partner must have the stated designations.

The changes stated in the addendum will be the new conditions/criteria to be met and evaluated. They override the current criteria in the document.
