Tender Tactical Response Team for the period of 3 years

### 3. TENDER TECHNICAL EVALUATION REPORT

#### 3.1 TECHNICAL EVALUATION STRATEGY

The Tenders will be evaluated as per the Technical Evaluation Team Criteria provided below The following criteria will be evaluated for the contract received

- 1 Mandatory Technical Requirements
- 2 Functionality – Qualitative technical Requirements

The technical criteria will consist of the Mandatory Technical Requirements and Qualitative technical Requirements only, i.e., step 1 and 2

The scope of the contract is predominantly confined to Tactical Response Team The technical criteria are therefore only TRT related

The minimum weighted final score (threshold) required for a tender to be considered from a technical perspective is 75%

#### 3.2 MANDATORY TECHNICAL REQUIREMENTS

| No. | Minimum Criteria Evaluation Requirements                                                                                                | Source                                             |
|-----|-----------------------------------------------------------------------------------------------------------------------------------------|----------------------------------------------------|
| 1   | Company registered with PSIRA as a security service provider – (as per the Chapter 3, Section 20, par 1(a), Section 25 and regulations) | Submit valid PSIRA certification in business       |
| 2   | Company's director PSIRA registration certificate Grade A/B and police clearance                                                        | Submit Certified Copy                              |
| 3   | PSIRA letter of good standing                                                                                                           | Valid certificate of PSIRA letter of good standing |

#### **Tender Tactical Response Team for the period of 3 years**

|   |                                                                       |                                                                              |
|---|-----------------------------------------------------------------------|------------------------------------------------------------------------------|
| 3 | Fire-arm competency in business purpose to possess the three firearms | Submit Certified Copy of<br>-12 Gauge Shotgun<br>-9 mm Pistol<br>-LM 4 Rifle |
|---|-----------------------------------------------------------------------|------------------------------------------------------------------------------|

Functionality forms the second step in the evaluation process with a weighting of 100% The contract will be required to score a minimum of 75% in these technical criteria to qualify

#### **3.3 TECHNICAL EVALUATION THRESHOLD**

The scoring for each contract will be done as per the scoring table 2 shown below This table is as per the requirements of Bid Evaluation Procedure [1] The minimum weighted final score (threshold) required for a contract to be considered from a technical perspective is 75%

#### **3.4 TET MEMBERS**

The TET members should be minimum of two (2) which will be doing the evaluations, Tsotetsi Simon and Mosotho Phaahla are TET members to do evaluations

#### **3.5 QUALITATIVE TECHNICAL EVALUATION CRITERIA**

Functionality forms the second step in the evaluation process with a weighting of 100% The contract will be required to score a minimum of

75% in these technical criteria to qualify

**Tender Tactical Response Team for the period of 3 years**
