***THE APPOINTMENT OF A SERVICE PROVIDER FOR THE SUPPLY, DELIVERY, AND INSTALLATION OF SOLAR-POWERED WATERTIGHT REFRIGERATED CONTAINERS IN IDENTIFIED AREAS OF THE GAUTENG PROVINCE
AS AND WHEN REQUIRED FOR A PERIOD OF THIRTY-SIX (36) MONTHS***

Department of Agriculture and Rural Development

1. BACKGROUND

The mandate of the Gauteng Department of Agriculture and Rural Development (GDARD) through its Chief Directorates - Agriculture and Agro-Processing and Economics Services is to ensure that there is agricultural growth and development in the Gauteng Province with a focus on empowerment of its people, alleviation of hunger at household level, poverty alleviation, income generation and job creation.

An integrated and developmental approach and cooperation with all relevant stakeholders is integral to the agricultural development process in the Gauteng Province. The increased participation of legible service providers can therefore not be separated from this broad-based agricultural development.

The GDARD has developed Agri-Parks as a model for agri-food development with the vision of enabling active participation of small and medium Agri-enterprises (SMMEs) into the mainstream agri-food economy. The Agriparks programme has been in existence for 6 years and interventions focus on the realization of a competitive, sustainable and inclusive Agro-processing industry in the province. Farmers who are doing well within the province also long to participate in the agri-food value chain and contribute to increasing the agricultural economy of the province as SMMEs.

It is against this background that the GDARD wishes to appoint a legible service provider to supply, deliver and install Solar Powered Watertight Refrigerated Containers in identified areas of the Gauteng Province as and when required for a period of three (3) years. This will allow farmers, agropreneurs in Agri-Parks, and agro-processors to sort, grade, and store their produce to extend shelf life, and prepare the produce for marketing and/or for further processing

THE APPOINTMENT OF A SERVICE PROVIDER FOR THE SUPPLY, DELIVERY, AND INSTALLATION OF SOLAR-POWERED WATERTIGHT REFRIGERATED CONTAINERS IN IDENTIFIED AREAS OF THE GAUTENG PROVINCE AS AND WHEN REQUIRED FOR A PERIOD OF THIRTY-SIX (36) MONTHS
