1, GENERAL

Bids/proposals invited by the Musina Local Municipality are subjected to the Councils “**General Conditions of Contract with Regards to Tenders Procurement Policy of Council** and any other document supplied with the Bid Document. It is of vital importance that bidders study this information document thoroughly in order to be fully acquainted with the terms and conditions contained therein.

This information document will be supplied with every bid/proposal document issued by the Council.

The advertisement in the newspapers will contain information regarding the Bid Number, Closing Date and Time, short Description of requirements, from where bid documents can be obtained and the address to which the bid documents must be submitted. It is the responsibility of a bidder to ensure that a bid is submitted on time at the correct address.

BIDS/PROPOSALS RECEIVED AFTER THE CLOSING DATE AND TIME BE LATE AND CANNOT BE ADMITTED FOR CONSIDERATION.

The purpose of the advertising of a bid firstly to expose the requirement as widely as possible and secondly to offer an equal opportunity to as many firms as possible to submit bids/proposal, thereby promoting fair competition.

A bid is a **written offer** on the official bid documents from the bidder to the Council and if accepted by the Council, a letter of acceptance is issued and a **binding contract** comes into effect.

2. BID DOCUMENTS

2.1 Specific standard forms are used to compile a bid document. These forms vary depending on the requirements.

A bid document will consist of all or any of the following;

- 1 Invitation to bid.
- 2 Information Brochure.
- 3 General Conditions of Contract.
- 4 Preference Point Explanation.
- 5 Forms to be **completed** by Bidder.

- A Form of Bid.
- B Signatory Authorisation.
- C Declaration of Interest.
- D Certificate of Preference Claimed by Bidder for Local content and SABS mark.
- E Contract between Council and Bidder in terms of the Occupational Health and Safety Act (Act 85 of 1993)

Each of the above documents will be discussed separately.

- 2.1.1 **The Form of Bid** must be completed by the Bidder in black ink and must be duly signed by him as well as two witnesses. Failure to complete this document will result in the whole bid document being rejected.
- 2.1.2 **The Signatory Authorisation** must be completed by the Bidder. Failure to do so will render the bid document void.
- 2.1.3 **General Conditions of Contract in Regard to Bids.** The Bidder must take note of this document and must adhere to the conditions stipulated therein. This document forms part of the bid document and the specifications.

It is in the best interest of the Bidder to complete this document. Care should be taken as to the percentages claimed as Council reserves the right to demand proof thereof.
- 2.1.5 **Preference Point Certificate.** In order to create an enabling environment for historically disadvantaged individuals (HDI's) to participate in public sector procurement activities, a preference mechanism had been introduced. The aim is to provide for a preference points system based on equity ownership by historically disadvantaged persons in an enterprise and will be applicable on all requirements.

Points will be adjudicated on the following basis:

	Value <R50 000 000	Value >R50 000 000
Price	80	90
Equity ownership by HDI's	<u>20</u>	<u>10</u>
TOTAL	100	100

On this form the Bidder must indicate the names and percentage equity ownership of historically disadvantaged persons within the enterprise. The preference points system will be applied only after all those bids which comply with the specified requirements were brought to a comparative

level and the bid may then be awarded to the Bidder that scores the highest points provided that the bid adhere to all the specifications.

The definitions contained in this form must be studied carefully. It should also be noted that the form contains a declaration and incorrect or misleading information could have serious consequences for the Bidder.
