The Contractor shall use Eskom-approved standard forms for the administration of the contract, including early warning notifications, compensation event notifications, safety documentation, and progress reporting, in accordance with the conditions of contract

4.3 Invoicing and payment

In terms of core clause 50 the *Contractor* assesses the amount due and applies to the *Employer* for payment. The *Contractor* applies for payment with a tax invoice addressed to the *Employer* as follows

The *Contractor* includes the following information on each tax invoice

- Name and address of the *Contractor*
- The contract number and title,
- *Contractor's* VAT registration number,
- The *Employer's* VAT registration number 4740101508,
- The total Price for Work Done to Date which the *Contractor* has completed,
- Other amounts to be paid to the *Contractor*,
- Less amounts to be paid by or retained from the *Contractor*,
- The change in the amount due since the previous payment being the invoiced amount - excluding VAT, the VAT and including VAT,
- (add other as required)

The *Contractor* attaches the detail assessment of the amount due to each tax invoice showing the Price for Work Done to Date for each item in the Price List for work which he has completed

Invoices shall be submitted electronically in accordance with Eskom invoicing procedures and must be supported by a detailed assessment of the Price for Work Done to Date

4.4 Records of Defined Cost

In order to substantiate the Defined Cost of compensation events, the *Employer* may require the *Contractor* to keep records of amounts paid by him for people employed by the *Contractor*, Plant and Materials, work subcontracted by the *Contractor* and Equipment [See clause 11 2(5) and 63 2]. The *Contractor* shall keep accurate and auditable records of Defined Cost, including costs for labour, materials, equipment, and other relevant project works. These records shall be made available to the *Employer* for inspection, verification, and audit upon request

4.5 BBBEE and preferencing scheme

The *Contractor* shall comply with all applicable Broad-Based Black Economic Empowerment (B-BBEE) requirements and any preferential procurement conditions stipulated in the contract and tender documentation

4.5 Facilities to be provided by the *Contractor*
