4.2 Maintenance Management

4.2.1. Scheduled Maintenance

All maintenance services shall be scheduled by the SABC or its authorized representative and communicated to the Contractor. When the maintenance is due the authorized SABC representative will issue a purchase order to the contractor and together shall perform the necessary planning and preparations for the successful execution of the work. Work shall be scheduled in a manner as not to interfere with any normal operations of the SABC. On completion of work the SABC representative together with the contractor shall inspect the works and if both parties are satisfied with the work done both shall sign off the job card together with the maintenance reports. The appointed service provider will be required to work and cooperate with other contractors on site whenever it is necessary for the purpose of new installations, maintenance, fault finding and repairs.

Normal operational hours on site shall be **from 08:00 to 16:30** for every working day, Monday to Friday. No planned maintenance work will be allowed to be performed on Weekends or Public holidays unless prior approval is received from the SABC or authorized representative.

4.2.2 Reactive Maintenance

SABC or its authorized representative will report any fire preventative and/or associated equipment faults or breakdowns which may occur to the contractor. All emergencies will be reported telephonically and then followed by a job card. Any other maintenance will be communicated in writing and a repair job card will be transmitted to the Contractor. The Contractor shall respond promptly to the complaint and restore the equipment to functional status in accordance with the assigned priority level. On completion of work the SABC representative together with the contractor shall inspect the works and if both parties are satisfied with the work done both shall sign off the job card together with the detailed report for the repairs.

4.3. Response Time

Response time shall be measured as the time taken from reporting the call, to the time taken by the Technician to arrive at the relevant piece of equipment.

The response to call outs shall be categorized according to the need for urgency in attending to the call out. All faults and alarms **during and after working hours** shall be responded to as follows:

(a) Emergency Response

This shall be defined as an event that requires an immediate response or action to prevent and or mitigate against damage, harm or injury to persons or property or to limit the disruption of services. The Contractor shall respond to an emergency call-out within **2 hours**.

(b) Urgent Response

This shall mean any failure or repair requirement that could significantly affect the services or pose a danger if left unattended for a lengthy period. The Contractor shall respond to an urgent call-out within **4 hours**.

(c) Routine Response

This shall apply to other failures or repairs other than those requiring emergency and urgent response. These items shall be dealt with as unscheduled additional work items as requested by the SABC or authorized representative.

Any equipment faults that impact on the safety of the Employees shall be considered until restored to good reliable condition. This implies that no equipment faults may be left unattended or incomplete for the next day. SABC will hold the Contractor liable for any costs incurred as a result of negligence or unreasonable poor performance by the Contractor including excessive time taken to effect repairs.

4.4 Modifications/ Improvement Process

Contractors shall assume the costs incurred by SABC, as a result of defective supplies, services or product liability issues.

Any change to the original service or product design must be approved by SABC prior to implementation.

A Request for Change needs to be submitted to SABC and approved prior to implementing the change.

The Contractor shall keep records of all requests and corresponding SABC approvals.

4.5 Performance Management

Once deliveries of the component, system, or service have been initiated, SABC will monitor the Contractor's performance to establish a trend of Continuous Improvement.

Quality of service or material and On-Time Delivery shall be the minimum metrics to be tracked for Contractor performance.

Resolution of non-conformances in the service to SABC will be addressed in a manner that will best support SABC 's standard requirements.

Expenses associated with Contractor non-conformances will be the responsibility of the Contractor.

4.5.1 Key Performance Indicators

SABC will monitor Contractor's performance and report on it on a regular basis.

Contractor's Performance Indicators are as follows:

- (a) Service Quality: % defect free deliveries received.
- (b) On-time delivery: % of complete service delivery and on time, based on agreed standards.
- (c) Adherence to agreed response times.

Contractors are expected to work with SABC to improve performance and/or process capability where needed.

In cases of repeated poor performance or failure to improve, the contract shall be terminated.

4.5.2 Containment of Non-Conformity Supply of Service

In the event of a non-conforming material, component, system, or service is detected, SABC or its authorized representative will determine the best method of securing conformity to meet SABC's requirements such as:

- (c) Return the entire lot of non-conforming material, component, or systems to Contractor.
- (d) Contractor to sort/rework/repair the non-conformance at SABC sites.
- (e) SABC to identify an external resource (certified by SABC to perform, sort/rework/repair at the cost of the Contractor).

4.5.3 Cost Recovery

Contractors shall assume the costs incurred by SABC, as a result of defective supplies, services or product liability issues.

Damage caused by contractor activities or employees shall be for the contractor's account.

4.7 Key Personnel

A schedule of key personnel to this Contract (as per the Schedules) will be provided to the Authorized SABC Representative at commencement of this Contract. This will, as a minimum, include all persons to management level. For the full duration of this Contract, none of these persons will be replaced by a person of lesser ability or qualification. All on-site staff leaves shall be reported and agreed with the Project Manager or his delegate. The Authorized SABC

Representative may request the replacement of any person with unsatisfactory performance or who fails to comply with this contract.

4.8 Management of Meetings

The Contractor will attend meetings relating to maintenance, operations, contract management and other issues that may arise from time to time. As far as is practicable, the Contractor will make all required persons available for these meetings. The Contractor shall not submit claims for payment for staff attending any of these meetings.

4.9 Communication

Work instructions scheduled maintenance reports, breakdown reports, etc. will all be in a format as agreed with the Authorized SABC Representative.

4.10 Health, Safety and Environment

The appointed service provider shall comply with SABC's Health and Safety Systems.

- (c) **“rand value”** means the total estimated value of a contract in Rand, calculated at the time of bid invitation, and includes all applicable taxes;
- (d) **“tender for income-generating contracts”** means a written offer in the form determined by an organ of state in response to an invitation for the origination of income-generating contracts through any method envisaged in legislation that will result in a legal agreement between the organ of state and a third party that produces revenue for the organ of state, and includes, but is not limited to, leasing and disposal of assets and concession contracts, excluding direct sales and disposal of assets through public auctions; and
- (e) **“the Act”** means the Preferential Procurement Policy Framework Act, 2000 (Act No. 5 of 2000).

3. FORMULAE FOR PROCUREMENT OF GOODS AND SERVICES

3.1. POINTS AWARDED FOR PRICE

3.1.1 THE 80/20 OR 90/10 PREFERENCE POINT SYSTEMS

A maximum of 80 or 90 points is allocated for price on the following basis:

80/20	or	90/10	
$P_s = 80 \left(1 - \frac{P_t - P_{min}}{P_{min}} \right) \quad \text{or} \quad P_s = 90 \left(1 - \frac{P_t - P_{min}}{P_{min}} \right)$			

Where

- Ps = Points scored for price of tender under consideration
- Pt = Price of tender under consideration
- Pmin = Price of lowest acceptable tender

3.2. FORMULAE FOR DISPOSAL OR LEASING OF STATE ASSETS AND INCOME GENERATING PROCUREMENT

3.2.1. POINTS AWARDED FOR PRICE

A maximum of 80 or 90 points is allocated for price on the following basis:

80/20	or	90/10	
--------------	----	--------------	--

$$Ps = 80 \left(1 + \frac{Pt - Pmax}{Pmax} \right) \quad \text{or} \quad Ps = 90 \left(1 + \frac{Pt - Pmax}{Pmax} \right)$$

Where

- Ps = Points scored for price of tender under consideration
- Pt = Price of tender under consideration
- Pmax = Price of highest acceptable tender

4. POINTS AWARDED FOR SPECIFIC GOALS

- 4.1. In terms of Regulation 4(2); 5(2); 6(2) and 7(2) of the Preferential Procurement Regulations, preference points must be awarded for specific goals stated in the tender. For the purposes of this tender the tenderer will be allocated points based on the goals stated in table 1 below as may be supported by proof/ documentation stated in the conditions of this tender:
- 4.2. In cases where organs of state intend to use Regulation 3(2) of the Regulations, which states that, if it is unclear whether the 80/20 or 90/10 preference point system applies, an organ of state must, in the tender documents, stipulate in the case of—
 - (a) an invitation for tender for income-generating contracts, that either the 80/20 or 90/10 preference point system will apply and that the highest acceptable tender will be used to determine the applicable preference point system: or
 - (b) any other invitation for tender, that either the 80/20 or 90/10 preference point system will apply and that the lowest acceptable tender will be used to determine the applicable preference point system,
 then the organ of state must indicate the points allocated for specific goals for both the 90/10 and 80/20 preference point system.

Table 1: Specific goals for the tender and points claimed are indicated per the table below.

Note to tenderers: The tenderer must indicate how they claim points for each preference point system.

The specific goals allocated points in terms of this tender	Number of points allocated (80/20 system) (To be completed by the organ of state)	Number of points claimed. (80/20 system) (To be completed by the tenderer)

3 DECLARATION

I, the undersigned, (name)..... in submitting the accompanying bid, do hereby make the following statements that I certify to be true and complete in every respect:

3.1 I have read and I understand the contents of this disclosure;

3.2 I understand that the accompanying bid will be disqualified if this disclosure is found not to be true and complete in every respect;

3.3 The bidder has arrived at the accompanying bid independently from, and without consultation, communication, agreement or arrangement with any competitor. However, communication between partners in a joint venture or consortium² will not be construed as collusive bidding.

3.4 In addition, there have been no consultations, communications, agreements or arrangements with any competitor regarding the quality, quantity, specifications, prices, including methods, factors or formulas used to calculate prices, market allocation, the intention or decision to submit or not to submit the bid, bidding with the intention not to win the bid and conditions or delivery particulars of the products or services to which this bid invitation relates.

3.4 The terms of the accompanying bid have not been, and will not be, disclosed by the bidder, directly or indirectly, to any competitor, prior to the date and time of the official bid opening or of the awarding of the contract.

3.5 There have been no consultations, communications, agreements or arrangements made by the bidder with any official of the procuring institution in relation to this procurement process prior to and during the bidding process except to provide clarification on the bid submitted where so required by the institution; and the bidder was not involved in the drafting of the specifications or terms of reference for this bid.

² Joint venture or Consortium means an association of persons for the purpose of combining their expertise, property, capital, efforts, skill and knowledge in an activity for the execution of a contract.

3.6 I am aware that, in addition and without prejudice to any other remedy provided to combat any restrictive practices related to bids and contracts, bids that are suspicious will be reported to the Competition Commission for investigation and possible imposition of administrative penalties in terms of section 59 of the Competition Act No 89 of 1998 and or may be reported to the National Prosecuting Authority (NPA) for criminal investigation and or may be restricted from conducting business with the public sector for a period not exceeding ten (10) years in terms of the Prevention and Combating of Corrupt Activities Act No 12 of 2004 or any other applicable legislation.

I CERTIFY THAT THE INFORMATION FURNISHED IN PARAGRAPHS 1, 2 and 3 ABOVE IS CORRECT.

I ACCEPT THAT THE STATE MAY REJECT THE BID OR ACT AGAINST ME IN TERMS OF PARAGRAPH 6 OF PFMA SCM INSTRUCTION 03 OF 2021/22 ON PREVENTING AND COMBATING ABUSE IN THE SUPPLY CHAIN MANAGEMENT SYSTEM SHOULD THIS DECLARATION PROVE TO BE FALSE.
