RE: KZN113

The Manufacture, Test and Supply of various Medium and Low Voltage Cable Accessories on an “as and when” required basis for various Regional Distribution Centres located in the Central East Cluster (KwaZulu Natal and Free State Operating Units) over a period of thirty-six (36) months. Rotek will be responsible for transportation of the goods.

Item	Clarification required	Response
1	<p>Please elaborate on the sentence in the “invitation to tender”. “Rotek will be responsible for transportation of the goods”</p> <p>Does this mean Rotek collects from the manufacturer and delivers to the applicable ESKOM store?</p>	<p>Once the goods are ready for delivery, the supplier will be required to inform Eskom Rotek Industries (ERI) that the goods are ready for collection.</p> <p>ERI will then collect the goods from the premises of the contracted supplier and deliver as per the delivery address presented on the release order.</p> <p>The process to notify ERI will be further communicated with the contracted party.</p>
