Minimum threshold for technical evaluation is **66.67** points

Respondents must respond to **Annexure B** which include a **Technical Questionnaire**. A Respondent's compliance with the minimum functionality/technical threshold will be measured by their responses to **Annexure B**.

Respondents are to note that Transnet will round off final technical scores to the nearest 2 (two) decimal places for the purposes of determining whether the technical threshold has been met.

The minimum threshold for technical/functionality [Step Two] must be met or exceeded for a Respondent's Proposal to progress to Step Three for final evaluation

6.3 STEP THREE Evaluation and Final Weighted Scoringa) **Price Criteria** [Weighted score **80/90** points]:

Evaluation Criteria	RFP Reference
• Commercial offer	Section 4

Transnet will utilise the following formula in its evaluation of Price:

$$PS = 80 \left(1 - \frac{Pt - Pmin}{Pmin} \right) \text{ OR } PS = 90 \left(1 - \frac{Pt - Pmin}{Pmin} \right)$$

Where:

Ps	=	Score for the Bid under consideration
Pt	=	Price of Bid under consideration
$Pmin$	=	Price of lowest acceptable Bid

b) **Specific Goals** [Weighted score **20/10** points]

- Specific goals preference points claim form
- Preference points will be awarded to a bidder for attaining the specific goals requirements in accordance with the table indicated in Section 4.1 of the specific goals Claim Form.

6.4 SUMMARY: Applicable Thresholds and Final Evaluated Weightings

Thresholds	Minimum Threshold
Technical / functionality	66.67

Evaluation Criteria	Final Weighted Scores
Price	80/90
Specific goals - Scorecard	20/10
TOTAL SCORE:	100

6.5 STEP FOUR: Price Negotiations (if applicable)

- Respondents are to note that Transnet may not award a contract if the price offered is not market-related. In this regard, Transnet reserves the right to engage in PTN with the view to achieving a market-related price or to cancel the tender. Negotiations will be done in a sequential manner i.e.:
 - first negotiate with the highest ranked bidder or cancel the bid, should such negotiations fail,
 - negotiate with the 2nd and 3rd ranked bidders (if required) in a sequential manner.
- In the event of any Respondent being notified of such short-listed/preferred bidder status, his/her bid, as well as any subsequent negotiated best and final offers (BAFO), will automatically be deemed to remain valid during the negotiation period and until the ultimate award of business.
- Should Transnet conduct post tender negotiations, Respondents will be requested to provide their best and final offers to Transnet based on such negotiations. Where a market related price has been achieved through negotiation, the contract will be awarded to the successful Respondent(s).

6.6 STEP FIVE: Objective Criteria

Transnet reserves the right to award the business to the highest scoring bidder/s unless objective criteria justify the award to another bidder. The objective criteria Transnet may apply in this bid process include:

- Rotation of Suppliers to promote opportunities for other suppliers, by overlooking a supplier that has been awarded business repeatedly overtime in order to benefit other suppliers in the market;
- **The preferred bidder:**
- is undergoing a process of being restricted by Transnet or other state institution that Transnet may be aware of,
- is insolvent, in receivership, under Business Rescue as provided for in chapter 6 of the Companies Act, 2008, bankrupt or being wound up, has his affairs administered by a court or a judicial officer, has suspended his business activities, or is subject to legal proceedings in respect of any of the foregoing,

6.7 STEP SIX: Award of business and conclusion of contract

3.1	Employees Subsidy	R 6,177,600.00
	Total contract value for 3 years (including VAT)	R

Respondents are to note that Transnet will round off final pricing scores to the nearest 2 (two) decimal places

Respondents are to note that Transnet will round off final pricing scores to the nearest 2 (two) decimal places.

Notes to the Multi- Year Pricing Table:	
	The first year of the contract will not be subject to price escalation
	Cost for Year 2 (Y2) will be Total costs of Year 1 (Y1) x CPI adjustment
	Cost for Year 3 (Y3) will be Total costs of Year 2 (Y2) x CPI adjustment

Notes to Pricing:

a) Respondents, if awarded the contract, are required to indicate that their **prices quoted would be kept firm and fixed for a period of 12 months**, subject thereafter to adjustment (i.e., after the initial period of 12 months), utilizing the Consumer Price Index (CPI) as per below:

CONTRACT PRICE ADJUSTMENTS**Formula**

b) Prices submitted for this bid will be regarded as non-firm and subject to adjustment(s) in terms of the formula set out below,

c) Applications for price adjustments must be accompanied by documentary evidence in support of any adjustment claim.

d) The following price adjustment formula will be applicable for calculating Contract price adjustments (CPA).

Respondent's Signature

Date & Company Stamp

$P_a = (1-V) P_t ((CPI)) + V P_t$ where:

P_a	=	The new adjusted price to be calculated
$(1-V)P_t$	=	85% of the original bid price
CPI	=	In this tender Transnet will only use the Consumer Price Index (CPI) as a single factor from the Statistical Release "P0141" – Consumer Price Index, published by the Department of Statistics, South Africa.
$V P_t$	=	15% (or 0.15) of the original bid price. This portion of the bid price remains fixed, i.e., it is not subject to price adjustment.

Formula component definitions:

Adjustable amount: $(1-V) P_t$

e) The adjustable amount is the portion of the bid price, which is subject to adjustment. In this contract, the adjustable amount is 85% of the original bid price. For example, if the bid price is R1000, then only R850 will be subject to adjustment.

Fixed portion: $V P_t$

f) The fixed portion represents those costs that will not change over the adjustment period and DOES NOT represent the profit margin. In this bid, the fixed portion is 15% of the original bid price. Using the same example as above, it would amount to R150 which will remain fixed over the contract period.

Cost components and proportions: D1

g) The cost components of the Contract price usually constitute the cost of materials (raw material or finished product), cost of direct labour, cost of transport and those other costs that are inclined to change. The proportions are the contribution to the contract price of each of these cost components. In this bid, the Consumer Price Index (CPI) Statistical release P0141 will be used to adjust the price adjustments.

Cost Component	% Contribution
D1 – Consumer Price Index	100% of 85%
TOTAL (Cost components must add up to 100%)	100 %

Applicable indices / references:

h) The applicable index refers to the relevant market index, which is a true reflection of price movement(s) in the cost over time. In this bid the following indices or reference will be applicable:

Cost component	Index Publication	Index Reference
D1- Consumer Price Index	Stats SA, Statistical Release P0141	P0141

Base Index Date

i) The base index date applicable to the formula is defined as the date of advertisement of the bid. The P0141 Stats SA Statistical release in the month of the tender will be used as the base index. If a Stats SA Statistical release P0141 is not published in the month in which the tender is advertised, the first Statistical Release P0141 in the month immediately prior to the month of the tender being advertised shall be used.

End Index Date

j) The end index dates are the dates at predetermined points in time during the Contract period. In this bid the end indices are the indices published in the month immediately following the annual anniversary of the month in which the tender is advertised. In other words, months 13, 25, 37 etc.

Price Adjustment Periods

k) Adjustment to contract prices will be applied for on an annual basis

Respondents are to note that Transnet will round off final pricing scores to the nearest 2 (two) decimal places.

Notes to Pricing:

- a) Respondents are to note that if the price offered by the highest scoring bidder is not market-related, Transnet may not award the contract to that Respondent. Transnet may-
- (i) negotiate a market-related price with the Respondent scoring the highest points or cancel the RFP;
 - (ii) if that Respondent does not agree to a market-related price, negotiate a market-related price with the Respondent scoring the second highest points or cancel the RFP;
 - (iii) if the Respondent scoring the second highest points does not agree to a market-related price, negotiate a market-related price with the Respondent scoring the third highest points or cancel the RFP.
- If a market-related price is not agreed with the Respondent scoring the third highest points, Transnet must cancel the RFP.
- b) Prices must be quoted in South African Rand inclusive of VAT.
- c) Any disbursement not specifically priced for will not be considered/accepted by Transnet.

- d) To facilitate like-for-like comparison bidders must submit pricing strictly in accordance with this pricing schedule **ANNEXURE C** and not utilise a different format. Deviation from this pricing schedule could result in a bid being declared non-responsive.
- e) Prices are to be quoted on a delivered basis to Port of Richards Bay.
 Please note that should you have offered a discounted price(s), Transnet will only consider such price discount(s) in the final evaluation stage if offered on an unconditional basis.
- f) Start of Provision of Services lead time calculated from date of receipt of purchase order: _____ weeks.
- g) Respondents, if awarded the contract, are required to indicate that their prices quoted would be kept firm and fixed for the contract duration. [Not to be confused with bid validity period Section 2, clause 1]

- d) not to de-compile, disassemble or reverse engineer any composition, compilation, concept application, item, component de-compilation, including software or hardware disclosed and shall not analyse any sample provided by Transnet, or otherwise determine the composition or structure or cause to permit these tasks to be carried out except in the performance of its obligations pursuant to this Agreement;
- e) not to exercise less care to safeguard Transnet Confidential Information than the Party exercises in safeguarding its own competitive, sensitive or Confidential Information;
- f) Confidential Information disclosed by either Party to the other or by either Party to any other party used by such party in the performance of this Agreement, shall be dealt with as "restricted" or shall be dealt with according to any other appropriate level of confidentiality relevant to the nature of the information concerned, agreed between the Parties concerned and stipulated in writing for such information in such cases;

- g) the Parties shall not make or permit to be made by any other person subject to their control, any public statements or issue press releases or disclose Confidential Information with regard to any matter related to this Agreement, unless written authorisation to do so has first been obtained from the Party first disclosing such information;

The Party disclosing the Confidential Information shall be responsible for any breach of the provisions of this Agreement by such person or entity; and
- k) each Party may by written notice to the other Party specify which of the Party's employees, officers or agents are required to sign a non-disclosure undertaking.

- c) can be proved to have been rightfully received by a Party from a third party without a breach of a duty or obligation of confidentiality; or
- d) is independently developed by a Party as proven by its written records.

25.3 This clause 25 shall survive termination for any reason of this Agreement and shall remain in force and effect from the Commencement Date of this Agreement and 5 [five] years after the termination of this Agreement. The Service Provider shall promptly reimburse Transnet for any premiums paid provided such insurance protects the Service Provider's liability. Transnet assumes no responsibility for such insurance being adequate to protect all of the Service Provider's liability.
- 26.4 In the event that the Service Provider receives written notice from its insurers advising of the termination of its insurance cover referred to in clause 26.1 above or if the insurance ceases to be available upon commercially reasonable terms, the Service Provider shall immediately notify Transnet in writing of such termination and/or unavailability, whereafter either the Service Provider or Transnet may terminate this Agreement on giving the other Party not less than 30 [thirty] calendar days prior written notice to that effect.

27 LIMITATION OF LIABILITY

- 27.1 The Service Provider's liability under this clause 27 shall be in addition to any warranty or condition of any kind, express or implied by law or otherwise, relating to the Services or ancillary Services, including the quality of the Services or ancillary Services or any materials delivered pursuant to this Agreement.

- 27.4 Subject always to clauses 27.1 and 27.2 above, the liability of either the Service Provider or Transnet under or in connection with this Agreement, whether for negligence, misrepresentation, breach of contract or otherwise, for direct loss or damage arising out of each Default or series of related Defaults shall not exceed 100% [one hundred per cent] of the Fees paid under the schedule or Work Order to which the Default(s) relates.

28.2 Such failure or neglect shall not in any manner affect the continued, unaltered validity of this Agreement, or prejudice the right of that Party to institute subsequent action.

29 PARTIAL INVALIDITY

If any provision of this Agreement shall be held to be invalid, illegal or unenforceable, or shall be required to be modified, the validity, legality and enforceability of the remaining provisions shall not be affected thereby.

30.5 This clause 30 is severable from the rest of this Agreement and shall remain in effect even if this Agreement is terminated for any reason.

3 SUBMITTING OF BID DOCUMENTS

- 3.1 A Bid, which shall hereinafter include reference to an RFP or RFQ, shall be submitted to Transnet no later than the closing date and time specified in accordance with the directions issued in the Bid Documents. Late Bids will not be considered.

4 USE OF BID FORMS

- 4.1 Where special forms and/or formats are issued by Transnet for the submission of Bids, Respondents are required to submit their Bids by completion of the appropriate sections on such official forms and/or formats and not in other forms and/or formats or documents bearing their own terms and conditions of contract. Respondents may be requested to attend a site visit or briefing session where it is necessary to view the site in order to prepare their Bids, or where Transnet deems it necessary to provide Respondents with further information to allow them to complete their Bids properly. Where such visits or sessions are indicated as compulsory in the RFX Document, Respondents are obliged to attend these meetings as failure to do so will result in their disqualification.

- 7.2 If it is found to be that the Bidder / Supplier made an incorrect statement on this subject, the Bidder / Supplier can be rejected from the registration process or removed from the Bidder / Supplier database, if already registered, for such reason (refer to the Breach of Law Form contained in the applicable RFX document.)
