AIDC is the dedicated developmental agency of the Gauteng Growth and Development Agency (GGDA) in relation to the specific industrial, infrastructure and training needs required by the automotive and allied sector - those based in the Gauteng province. The AIDC is thus tasked by GGDA with special developmental type projects aimed at enhancing and possibly expanding the automotive and allied-related sector with a focus on enterprise development; also, in support of government's aims at BBBEE SMME development and the radical transformation of various townships. The AIDC otherwise explores other developmental projects, external to the objectives of the GGDA in support of the AIDC's own business development processes. These include projects related to the transport and energy sectors, as well as the development of Tshwane Auto City. The AIDC's focus, in terms of the 2016 Gauteng Economic Development Plan/Framework (GEDP/F), is towards the automotive sector in the Northern Corridor of the Gauteng City Region (GCR) framework.

2.2 VISION

The Vision of the AIDC is:

To be the leading implementation agency delivering creative, efficient, best practice and value-based solutions in support of government programmes related to the automotive and allied sectors.

2.3 MISSION

The Mission of the AIDC, in pursuit of its Vision, is to provide innovative customised solutions:

To develop the automotive manufacturing sector to globally competitive standards of excellence through a world-class value proposition which enables effective and sustainable socio-economic growth.

3. RFQ OBJECTIVES

The aim is to request interested service providers to submit a detailed proposal for a merSETA/QCTO/National Artisan Moderation Body (NAMB) accredited Assessment/Trade Test Centre/s to conduct pre assessments, gap closure, trade test preparation and trade testing on Artisan Recognition of Prior Learning (ARPL) for 14 Diesel Mechanic candidates to the Automotive Industry Development Centre. The quotation should be as per below. The suppliers who will not be quoting as per the specifications below **will be disqualified**.

4. RFQ SCOPE

The quotation should be as per below. The suppliers who will not be quoting as per below specification will be disqualified.

- Number of candidates to be trade tested: **14 (Fourteen)**
- Title of Trade: **Diesel Mechanic**

5. PRICING SCHEDULE

NB: Bidders must submit a detailed pricing proposal in accordance with the pricing schedule provided below. Quotations that are conditional, qualified, or subject to confirmation will not be considered. Bidders will not be requested or permitted to alter their quotations after the closing date and time for the submission of quotations. Only firm prices quoted in South African Rand (ZAR) will be accepted.

The quantities reflected in the pricing schedule are estimates provided solely for the purpose of evaluating quotations and ensuring a like-for-like comparison of prices.

AIDC acknowledges that, following the pre-assessment process, not all candidates may require Gap Closure and that the duration and extent of Trade Test Preparation may differ from one candidate to another, depending on the competency gaps identified during the assessment.

Accordingly, bidders are required to provide a firm unit rate per candidate for each service listed in the pricing schedule. Payment will be based solely on the actual number of candidates receiving the respective service and the services rendered and accepted by AIDC.

The estimated quantities do not constitute a guarantee or commitment by AIDC to procure the full quantities indicated, and no adjustment to the quoted unit rates will be permitted due to variations in the number of candidates or the duration of services provided.
