DETAILED TECHNICAL SPECIFICATION

1. Background

The SABC KZN office which is in proximity of the Durban CBD in the prime Kingsmead Office Park is also regarded as part of Durban's Tourist attraction and an educational tour destination for schools. The building has a 40-year-old lifespan. Currently, the garden has not been properly maintained due to the absence of a gardening contract. This is not in line with the Real Estate and Logistics' purpose, which is to ensure a sound coordination of supply of all the utility services and support broadcast with essential uninterrupted services, safety of people and property of SABC. Furthermore, as part of the Kingsmead Office Park, the poor state of the grounds does not portray a good image of the SABC and the good community relations with the municipality and the neighbouring property owners.

IMPORTANCE OF GARDENING, GROUNDS, AND INTERIOR PLANT MAINTENANCE

- It is important to have a service provider that will be responsible for the upkeep of the gardens, grounds, and the interior plants, for the good image of the SABC brand.
- A gardening contract will ensure that the SABC seeks the services from an experienced service provider, who will maintain the plants properly
- In return a well-kept garden appeals to all our visitors and boosts the morale of the employees
- Trimming of trees and shrubs will make the site visible enough for Security Officers to conduct their patrols in an efficient manner and to minimise the risk of criminals breaking in at night.

CERTIFICATE OF INDEPENDENT BID DETERMINATION

- 1 This Standard Bidding Document (SBD) must form part of all bids¹ invited.
- 2 Section 4 (1) (b) (iii) of the Competition Act No. 89 of 1998, as amended, prohibits an agreement between, or concerted practice by, firms, or a decision by an association of firms, if it is between parties in a horizontal relationship and if it involves collusive bidding (or bid rigging).² Collusive bidding is a *pe se* prohibition meaning that it cannot be justified under any grounds.
- 3 Treasury Regulation 16A9 prescribes that accounting officers and accounting authorities must take all reasonable steps to prevent abuse of the supply chain management system and authorizes accounting officers and accounting authorities to:
 - a. disregard the bid of any bidder if that bidder, or any of its directors have abused the institution's supply chain management system and or committed fraud or any other improper conduct in relation to such system.
 - b. cancel a contract awarded to a supplier of goods and services if the supplier committed any corrupt or fraudulent act during the bidding process or the execution of that contract.
- 4 This SBD serves as a certificate of declaration that would be used by institutions to ensure that, when bids are considered, reasonable steps are taken to prevent any form of bid-rigging.
- 5 In order to give effect to the above, the attached Certificate of Bid Determination (SBD 9) must be completed and submitted with the bid:

¹ Includes price quotations, advertised competitive bids, limited bids and proposals.

² Bid rigging (or collusive bidding) occurs when businesses, that would otherwise be expected to compete, secretly conspire to raise prices or lower the quality of goods and / or services for purchasers who wish to acquire goods and / or services through a bidding process. Bid rigging is, therefore, an agreement between competitors not to compete.
