

ANNEXURE A

1. SPECIFICATION

1. CEF (SOC) seeks the services of plumbing consumables retailer/supplier to supply and deliver plumbing consumables to Sol Plaatje-Northern Cape for the National Solar Water Heater Programme (NSWHP) on a consignment agreement:

The appointed retailer/supplier must note that:

- The plumbing consumables will be ordered in batches as the Project team deem necessary ;
- A new batch order with list of items (the Bill of Quantities (BoQ) will be placed and communicated to the awarded supplier by the Project team.
- The batch order may not be limited to the plumbing consumables listed in the original BOQ, slight changes may be made to the order due to differences in housing structures in the municipal areas;
- The awarded supplier must ensure that the consumables are in stock and ready for delivery within seven **(7) working days** after order is placed and batch delivery arrangements are made;
- The supplier must note that they may be unforeseen project delays during implementation of the Project. As such, CEF requires quotations valid for 120 days. Changes in pricing due to unforeseen delays during implementation of the project will not be allowed; consequently, the supplier must ensure their quoted pricing makes provision for such risks.
- The supplier must keep all records of issued consumables for invoicing purposes and for record keeping;
- All the material to be supplied must be SABS approved or approved by other recognised approving body.

2. BILL OF QUANTITY AND PRICING SCHEDULE

Installations in Sol Plaatje Municipality will be for 2700 units /households
