			action / comment
3	Comment made by Memotek	- it appears as though the new Preference Point System favours the large companies as they would be more inclined to fund various training, social upliftment or have audited financial statements	PM will convey comment to SCM
4	Query	is the density in the specification correct?	PM will check and send out Notice to Tenderers
5	Query	Is the delivery restriction of 12 tonnes related to the order quantity?	was clarified that this pertains to the delivery vehicle weight only larger orders can be done their delivery weight is restricted
6	Query	why was the contract term changed from 3 yrs to 2 yrs?	to align and combine future tenders
7	Query	why was the maintenance parts section removed?	parts can be purchased via the Sodium aluminate tender
8	Query	can the meeting recording be shared with the attendees?	PM will check with SCM
