

Annexure "A" : Scope of Works

Title

Scope of works for the provision of security services to Transnet Property for a period of 16 months at the Western Cape Region.

Background

Transnet Property requires the services of a qualified and experienced security service provider to render security services in the **Western Region**. The security service provider will be required to guard the properties ranging from residential to commercial, retail and vacant assets.

Objectives

The objective of the project is to safeguard the Transnet Property assets as outlined in the scope of works and Transnet Master Agreement.

Competency and expertise

The contractor shall ensure the appointment of experienced and PSIRA registered security guards to safeguard the Transnet Property assets.

Compliance:

The service provider shall ensure compliance with labour regulations, PSIRA standards and all applicable requirements.

This scope of works should be read in conjunction with the Transnet Property scope of requirements.
