1. Introduction

The South African Post Office makes use of Fortiweb – Web Application Firewall to protect its public facing websites. Adequate licenses and support for the Fortiweb Web Application Firewall hardware and software is required.

2. Objective of bid

The objective of this bid is to appoint a service provider to provide Fortiweb Web Application Firewall licenses as defined under point 3.1, scope of the RFP. This will include the maintenance and support for an additional period of twelve (12) months.

3. Scope of work

3.1 Scope of the RFP

SA Post Office requires the following services at the Post Office Data Centre.

- Renewal of existing 2 x Fortiweb 1000E licenses with maintenance and support for twelve (12) months
- Device serial numbers for the current Fortiweb 1000E devices are FV-1KE4417900176 and FV-1KER120900112.

3.2 Pricing

The supplier is requested to provide pricing for the following according to the table below. Please separate:

| Product | 12 Months Cost |
|---|----------------|
| <ul style="list-style-type: none">• Renewal of existing 2 x Fortiweb 1000E licences including maintenance and support for a period of twelve (12) months. | |
| Grand Total Cost | |

4. Requirements

4.1 The bidders must be an Authorised Fortinet Reseller. Therefore bidders must submit a letter as a proof from Fortinet that they are an Authorised Fortinet Reseller.

4.2 Completed pricing schedule in the format provided in section 3.2.
