Subject: RE: CRES/NGR/002/05/2023 - Afri-Services RFP Clarification Request Form

Good morning Khuthazwa

Attached is the response to Afrisix FYI.

1. These are specified in the tables, please go through the specification or RFP documents, the square metres for facilities are there.
2. Toilet paper consumption I will use Capital Park as a reference:
 - i. Estimated at 9 to 10 x Bales of 48s tissues per month
 - ii. An average of 4 x Big Rolls of paper towels per month.

The above can enable you to do your scoping for all the other depots, as the staff compliments are more or less the same.

Best regards,

Thabo R Manaka

Good afternoon,

Please find attached our clarification form with regards to tender CRES/NGR/002/05/2023.

Kind regards,

2.

Good day,

The pre-requisite as per tender advertisement or tender document was for you to attend the compulsory briefing meeting held inside the walls of Pretoria Station Lounge; subsequently to that or in the end of the briefing session presentation - sign the attendance register (as the importance of signing the attendance register was overly accentuated).

Unfortunately, parking at the boom gates or adjacent to entrance of staff members only parking does not render the act as substantiating evidence that you have attended the briefing nor signed the briefing attendance register.

Best Regards,
Khuthazwa Pike

Hope you are doing well.

I attended the briefing session this morning but didn't sign the attendance sheet.

Tried calling the landline numbers without success

I parked at the boom gates at the entrance for the staff members only

Your assistance and feedback will be highly appreciated.

Kind Regards,

Cleone

3.

Good day Khuthazwa

The enquiry is not site specific, for which depot or station is the enquiry for?

Noted with thanks.

I need a little confirmation, according to the tender document, where there are TWO Corridors, we need to choose one, if we need to bid for both, we must fill another tender document for the second one. This means we don't just quote for both on one set of tender documents. Am I correct in this? Or, can we quote for both on one set of document?

Kind regards,
Lesiba Chaba

Subject: RE: Request for the quantity of material and equipment to be used for tender Number: CRES/NGR/003/05/2023

Good morning Khuthazwa

May the Bidder go through the RFP document as it gives guidance to how much material/consumables are required per Corridor Stations through the below information:

1. Categorization/Classification and sizes of Stations as guidance for material/consumables

1.1 Pages 22 & 23 of 123 – paragraphs 1.3, 1.4, 1.5, 1.6

1.2 Stations are not the same sizes and do not have the same commuter flow, hence, the quantities should be derived from the provided info in the scope of work.

2. Station's facilities and sizes as the second guidance for material/consumables

2.1 Pages 25 to 49 of 123 – Tables (Station's facilities, sizes and hygiene equipment quantities) provided per station or Corridor stations and a list of material/consumables per Corridor station as guidance for the kind of material/consumable required.

2.2 Patronage/Commuter flow per station under normal operation of stations may also assist in this regard:

2.2.1 Corridor 2A – Table 2.3

2.2.2 Corridor 2B – Table 3.2

2.2.3 Corridor 3A – Table 5.1.2

2.2.4 Corridor 3B – Table 8.2

I trust that the above gives the necessary guidance to the Bidder's query.

Best regards,
Thabo Manaka
