

## **JOHANNESBURG CITY PARKS AND ZOO**

### **REQUEST FOR INFORMATION INVITATION**

Johannesburg City Parks and Zoo, the greening, conservation and cemetery management agency for the City of Johannesburg Municipality, invites interested parties from suitably legally registered companies to assist in obtaining business information input in understanding operator capabilities, potential operating models and commercial considerations relevant to the following two separate projects:

#### **PROJECT 1: FLOREUM VENUE AT JOHANNESBURG BOTANICAL GARDENS**

The Floreum venue is intended to operate as a destination food and beverage offering that enhances the everyday visitor experience through high-quality casual dining, café culture and curated wine and dining experiences that complement the botanical garden natural environment.

#### **PROJECT 2: WESTDENE DAM REVITALISATION AND SUSTAINABLE DEVELOPMENT**

The Westdene Dam project seeks partnership approaches for environmental rehabilitation, aquatic invasive species control, water quality improvement, public safety infrastructure, eco-tourism development, community programmes and sustainable commercial opportunities including guided eco-walks, educational centres, recreational activities and environmentally responsible revenue-generating initiatives.
