

Comment Response Sheet

Tender No: TPL/2026/07/0433/8067/RFP

Description of the Works: The provision of evacuation alarms systems, maintenance, services and supply of spares for various Transnet pipelines depots for the period of three years

Item	Contractor Query	Transnet (TPL) response
1	Clarification regarding the fixed pricing element for the 3 year period	Following the review of the pricing provision discussed during the briefing session, Transnet confirms that the provision in the RFP is correct and remains applicable. The contract period is 36 months, with rates fixed for the first 12 months and escalation applicable to Years 2 and 3 in accordance with the applicable contractual provisions. No amendment to the RFP is required and bidders are not required to review their pricing as a result of this clarification
