Dear Sir / Madam

Description / Project Title	To engineer, procure and construct a water electrolysis hydrogen generation plant, which must be integrated with the existing renewable power plant for “green H2 production’ at ERIC Rosherville for a period of three (3) years
Request for Enquiry No	E1256CXMWP
Enquiry issue date	12 May 2025
Enquiry original closing date	27 June 2025 – 10h00 South African Standard Time
Proposed new enquiry closing date	31 July 2025 – 10h00 South African Standard Time
Motivation for extension	<p>A number of suppliers are requesting tender closing date extension to allow them to apply due diligence and dedicate sufficient effort to the preparation of the tender, ensuring a more accurate, complete, and competitive tender.</p> <p>Sourcing information and pricing for the electrolysis has proven to be more time-consuming than anticipated.</p>

Your co-operation is appreciated

Yours faithfully,

Name: Shamani Padayachee
