- A sub-contract agreement/s or letter of intent to subcontract must be submitted and these must be signed by both parties to the sub-contracting arrangement.
- Bidders that do not meet the pre-qualification criteria stipulated in the tender document will be disqualified from further evaluation.**

**Section 2. Mandatory Requirement:**

**The Industrial Catering contains products such as canned or processed vegetables that are designated sector and therefore the following stipulated minimum threshold for Local Production and Content must be achieved in full by the tenderer:**

**2.1. Designated Sector (Local Production and Content)**

a) Is this Commodity or part of it a Designated Sector?

YES	NO
<input checked="" type="checkbox"/>	<input type="checkbox"/>

Please indicate below Designated Components:

Commodity	Components	Local Content Threshold
Canned or processed vegetables	Canned or processed vegetables	80%

**NOTE 1:** The Declaration Certificate for **Local Production and Content (SBD / MBD 6.2) (F1)** together with the **Annexure C (Local Content Declaration: Summary Schedule) (F2)** MUST be completed, duly signed, and submitted by the bidder at the closing date and time of the bid.

**NOTE 2: Application for exemptions:**

If the required input materials cannot be wholly sourced from South Africa, bidders should request and obtain a written exemption letter from the DTI. The exemption letter should then be submitted, and approvals obtained prior to the closure of the bid(s). The DTI together with the procuring organ of state and the winning bidder will consider the exemption on a case-by-case basis.

**NOTE 3:** Failure to submit a properly completed SBD 6.2 and Annexure C document, will result in the disqualification from further evaluation.

## Section 5: Reporting & Monitoring

The supplier shall on a monthly basis submit a report to Eskom in accordance with Data Collection Template and their Supplier Development Plan on their performance with the SDL&I obligations described above.

Eskom shall review the SDL&I reports submitted by the suppliers within 60 (sixty) days of receipt of the reports and notify the suppliers in writing if their SDL&I obligations have not been met.

Upon notification by Eskom that the suppliers have not met their SDL&I obligations, the suppliers shall be required to implement corrective measures to meet those SDL&I obligations before the commencement of the following report, failing which Retention clauses shall be invoked.

Every contract shall be accompanied by the SDL&I Implementation Schedule which must be completed by the suppliers and returned to SDL&I representative for acceptance within 21 days after contract award. This will be used as a reference document for monitoring, measuring and reporting on the supplier's progress in delivering on their stated SDL&I commitments.
