

## APPOINTMENT OF SERVICE PROVIDER FOR DELIVERY OF EMERGENCY WATER AT CEF FOR A PERIOD OF 36 MONTHS (3 YEARS)

### 1 INTRODUCTION

CEF SOC Ltd is a state-owned company involved in the search for appropriate energy solutions to meet the energy needs of South Africa and the sub-Saharan African region. It also manages the operation and development of the oil and gas assets of the South African government. The company falls under the auspices of the Department of Mineral and Petroleum Resources. For more information on the company, you can visit our current website: [www.cefgroup.co.za](http://www.cefgroup.co.za).

### 2 BACKGROUND AND OVERVIEW

Johannesburg Water from time to time, suffers from infrastructure challenges which result in water outages in the Sandton area. CEF requires support in mitigation the risk of water shortage to secure business continuity.

### 3 THE STATEMENT OF PURPOSE

This requisition is to source a qualified and experienced Johannesburg-based service provider to deliver clean, drinkable water to CEF House during periods when there is a water shortage.

### 4 SCOPE OF WORK

The service provider will be required to:

- Deliver 30,000-litre water to JoJo tanks located at CEF House, to fill 3 x 10,000l tanks.
- **Ensure delivery is made within five (5) hours of notification.**
- Provide emergency water supply delivery through a truck with at least 10,000 litres capacity with all required piping, estimated at **50m long**, to extend to CEF Jojo tanks. The supply will be expected to be done in 3 trips.
- Maintain all equipment (truck, tanks, pump, piping) in safe and working condition.

## 5 MANDATORY REQUIREMENTS

At this phase service providers must submit the required supporting documents to substantiate compliance to the requirements below. It must be noted that if the service provider does not meet any of the requirements, the service provider will be disqualified and not be evaluated further.
