

ANNEXURE O – PROPOSED LIMESTONE QUALITY SPECIFICATION

Please provide the limestone quality specification that you wish to propose to Eskom for potential supply using the table provided below.

Table 1:

RESPONDENT:
Source:
Product Description (e.g. ROM, Middlings, Dump Re-wash, etc.):
Please indicate if there is slurry in the limestone, if yes state percentage (%):
Beneficiation Method:

Metric	Units	Proposed Limestone Quality
Carbonate (CaCO ₃)	%	
Magnesium Carbonate (MgCO ₃)	%	
Silica Dioxide (SiO ₂)	%	
Other Inerts	%	
Size Distribution 0-5mm	%
