

	Exemption Letter For OHS requirements	Document Identifier	240-77471499	Rev	1
		Effective Date	July 2024		
		Review Date	July 2027		

National Transmission Company South Africa's (NTCSA) responsibility and commitment is to ensure a safe working environment is in line with its Safety, Health, Environmental and Quality Policy, along with legislative obligations. NTCSA will partner or conduct business with entities that prioritise OHS in their organisation.

Scope of work: The provision of access to the Government Property Information System to National Transmission Company South Africa for a period of 5 years

The scope of work renders the project to the exemption of normal OHS requirements a per clause 3.2.2.7 (a) of the 32-726 Eskom Contract and Contractor OHS Management

I, the undersigned, hereby acknowledge that the scope of work does not warrant OHS requirements at the tendering phase due to the following reasons:

Appointed supplier will gather the database online and away from Eskom premises.

Please ensure that the successful supplier signs the 37.2 Agreement at contract award and that they maintain a valid letter of good standing for the duration of the contract.

Signed at **Megawatt Park** on 2024/09/27
