5. All communication, prior to contract award, to be done via - :  
Lorna Hendricks, Procurement Practitioner.
6. Technical criterion and weighting to be discussed.
7. SHEQ requirements to be discussed
8. Other

The Enquiry will be issued as one Contract for both Stations, but the Tenderer reserves the option to Tender for either Station if preferred taken into account the remoteness of the 2 Power Stations.

There will be a price – list for both stations in one contract for Gariep and one for Vanderkloof Power Station, Suppliers can Tender for one or for both Power Stations, and will be evaluated according to the evaluation criterion where the preference points according to SPECIFIC GOALS (B-BBEE LEVEL) level contribution will be applicable per site, although it would be preferred that one contract be award to one contractor for both sites. If 2 separate Suppliers are recommended, two separate contracts will be awarded that will be applicable to either site, with the same terms and conditions as the issued contract document.
