Other resources, for example, would be the type of software package intended for use on this project, whether or not it is owned or licensed to the tenderer, or whether it is available through some other means. Tenderers should note that, during the course of any contract arising from this tender, any of the personnel listed at tender stage may only be replaced with personnel of similar qualification and experience, subject to the approval of the employer.

15. CERTIFICATE OF INDEPENDENT BID DETERMINATION (MBD 9)

- 1 Section 4 (1) (b) (iii) of the Competition Act No. 89 of 1998, as amended, prohibits an agreement between, or concerted practice by, firms, or a decision by an association of firms, if it is between parties in a horizontal relationship and if it involves collusive bidding (or bid rigging).^{*} Collusive bidding is a *pe se* prohibition meaning that it cannot be justified under any grounds.
- 2 Municipal Supply Regulation 38 (1) prescribes that a supply chain management policy must provide measures for the combating of abuse of the supply chain management system, and must enable the accounting officer, among others, to:

^{*} Bid rigging (or collusive bidding) occurs when businesses, that would otherwise be expected to compete, secretly conspire to raise prices or lower the quality of goods and / or services for purchasers who wish to acquire goods and / or services through a bidding process. Bid rigging is, therefore, an agreement between competitors not to compete.
