TRANSITION

Western Cape Supplier
Evidence Bank (WCSEB)

replaced
Western Cape Supplier Database (WCSD)

CENTRAL SUPPLIER DATABASE (CSD)

The CSD was established by National Treasury on behalf of all departments, constitutional institutions and public entities listed in schedule 2 & 3 of the Public Finance Management Act.

All suppliers intending to do business with government MUST be registered on the CSD. This does not apply when government procures via petty cash; foreign suppliers (no local registered entity); or any other entity as may be directed by National Treasury from time to time.

Suppliers can self-register online:
<https://secure.csd.gov.za>

Western Cape Government suppliers must additionally be registered on the Western Cape Supplier Evidence Bank (WCSEB) for procurement via the eProcurement System (ePS) also known as Integrated Procurement Solution or IPS to ensure compliance documentation is lodged.

The WCSEB replaced the WCSD on 1 October 2019 and complements the national master supplier database as a central repository of governance documentary evidence

- The 80/20 preference point system must be applied for acquisition of goods/services with a rand value equal to or more than R30 000.
- The PPPFR's does not apply to quotations estimated between R2 000 and up to R30 000. Bidders will be evaluated based on price only.
- Regional indicators has been developed on IPS to target local suppliers in a particular municipal region to allow for the empowerment of local Small, Medium and Micro enterprises in order to stimulate localised competition and encourage the growth of small and start-up enterprises. This also allows the WCG to ensure value for money, improved contract management and supplier performance.
- A rotation methodology will be utilised to rotate Requests for Quotation (RFQ) opportunities to a maximum of 125 suppliers per request.
- Suppliers will only receive RFQs when they are eligible to receive the requests.
- Suppliers must only select the commodities relevant to its core business when registering/updating its profile on the WCSEB.

LINKING OF SUPPLIERS ON WCSEB

- Suppliers' commodities must be correctly selected in line with its core business. Suppliers will not be linked to events already advertised.
