1. BACKGROUND INFORMATION.

The ARC was established as a Public Entity on 1 December 1990, under the then Ministry of Agriculture (now reconfigured as the Department of Agriculture). The ARC is listed as a Schedule 3A Public Entity in terms of the Public Finance Management Act (Act No.1 of 1999) (PFMA) and is required to ensure full compliance with all prescripts and regulations arising from the PFMA. Specifically, the ARC was established in terms of the Agricultural Research Act (No. 86 of 1990), from which it derives its core mandate. The objectives of the ARC outlined in the Act are to conduct research, drive technology development and transfer (dissemination) information, in order to:

- promote agriculture and industry.
- facilitate/ensure natural resource conservation.
- alleviate poverty; and
- contribute to better quality of life

The Agricultural Research Council (ARC) invites suitably qualified and experienced service providers to review the ARC's current draft Business Continuity and Disaster Recovery Policy, develop a Business Continuity Plan and provide the relevant reporting and presentation thereafter.

2. PURPOSE

The ARC seeks to appoint an experienced and accredited service provider to develop a business continuity plan for the Agricultural Research Council (ARC).

3. SCOPE OF WORKS

The successful service provider should be experienced in delivering the following:

3.1 Stakeholder Engagement

- Facilitate consultations with key ARC internal stakeholders (e.g., Executive Management, ICT, HR, Security, Facilities Management, Research Divisions, etc.) to gather inputs and ensure buy-in.

3.2 Policy Review and Advisory

- Review any existing Business Continuity Management policies and documentation.
- Define the scope of the Business Continuity Programme.
- Work with ARC representatives in ensuring good governance of the project.

3.3 Situational Analysis

- Conduct a detailed risk and business impact assessment (BIA) across ARC campuses and divisions.
- Identify critical functions, systems, and dependencies at each site.
- Assess operational vulnerabilities, resource requirements and interdependencies across all campuses and divisions.

3.4 Business Continuity Plan Development

- Develop a comprehensive BCP that includes:
 - Crisis and emergency response procedures
 - Roles and responsibilities matrix
 - Communication and escalation protocols
 - Resource and recovery requirements
 - Continuity strategies for essential services and research operations

3.5 Integration and Alignment

- Ensure alignment with the ARC's existing Risk Management Framework, ICT Disaster Recovery Plans, and Health and Safety protocols.
- Ensure compliance with relevant legislation and best practices (e.g., ISO 22301).

3.6 Testing and Simulation

- Design and facilitate a desktop simulation or tabletop exercise to test the BCP's effectiveness.
- Identify gaps and areas for improvement through the simulation feedback.

3.7 Capacity Building

- Provide training to ARC staff on the implementation and maintenance of the BCP.

4. DELIVERABLES

The following deliverables are expected:

- Inception Report and Project Plan: A detailed report outlining the understanding of the assignment, methodology to be followed, timelines, stakeholder engagement strategy, and risks.
- Business Impact Analysis (BIA) Report: A comprehensive assessment report detailing critical business functions, interdependencies, downtime tolerances, and resource requirements across all ARC campuses and divisions.
- Risk Assessment Report: Identification and evaluation of potential disruptive threats that may impact ARC operations, aligned with existing risk registers.
- Draft Business Continuity Plan (BCP) : A comprehensive BCP document including recovery strategies, continuity procedures, governance structures, escalation protocols, and resource allocation plans.
- Crisis Communication Plan: A detailed communication framework for internal and external stakeholders during a crisis, including templates and escalation matrices.
- Simulation and Testing Report: A report detailing the design, facilitation, and outcomes of the desktop or tabletop simulation exercise, including identified gaps and recommendations.
- Training Manual and Capacity Building Materials: User-friendly guides and training content to build internal capabilities for BCP implementation and sustainability, accompanied by attendance registers from training sessions.
- Final Business Continuity Plan (incorporating feedback): refined and finalised BCP incorporating inputs from simulations, training sessions, and ARC stakeholder feedback.
- A comprehensive report on the review of the current draft Business Continuity and Disaster Recovery Policy, including recommendations for improvements, alignment with best practices, and identification of any gaps or risks
- Project Close-out Report:
- A summarised account of the project, including lessons learned, handover of all final materials (editable and PDF versions), and recommendations for future updates and sustainability.

5. DURATION AND TIMELINE

- The project must be completed within a period of **12 weeks** from the date of appointment. A detailed project plan with key milestones must be submitted as part of the proposal functionality.
- Demonstrated experience (minimum 5 years) in Business Continuity Management, BIA, Disaster Recovery Planning, and Policy Development.
- -Qualified project team members with certifications such as **ISO 22301 Lead Implementer, ISO 31000, or equivalent.**
- -Detailed project plan with clear deliverables and timelines.
- -Proof of sufficient resources and capacity to deliver across all ARC campuses nationally

TAX CLEARANCE CERTIFICATE REQUIREMENTS

It is a condition of bid that the taxes of the successful bidder must be in order, or that satisfactory arrangements have been made with South African Revenue Service (SARS) to meet the bidder's tax obligations.

1. In order to meet this requirement bidders are required to complete in full the attached form TCC 001 "Application for a Tax Clearance Certificate" and submit it to any SARS branch office nationally. The Tax Clearance Certificate Requirements are also applicable to foreign bidders / individuals who wish to submit bids.
2. SARS will then furnish the bidder with a Tax Clearance Certificate that will be valid for a period of 1 (one) year from the date of approval.
3. The original Tax Clearance Certificate must be submitted together with the bid. Failure to submit the original and valid Tax Clearance Certificate will result in the invalidation of the bid. Certified copies of the Tax Clearance Certificate will not be acceptable.
4. In bids where Consortia / Joint Ventures / Sub-contractors are involved; each party must submit a separate Tax Clearance Certificate.
5. Copies of the TCC 001 "Application for a Tax Clearance Certificate" form are available from any SARS branch office nationally or on the website www.sars.gov.za
6. Applications for the Tax Clearance Certificates may also be made via eFiling. In order to use this provision, taxpayers will need to register with SARS as eFilers through the website www.sars.gov.za.

2. Application

- 2.1 These general conditions are applicable to all bids, contracts and orders including bids for functional and professional services (excluding professional services related to the building and construction industry), sales, hiring, letting and the granting or acquiring of rights, but excluding immovable property, unless otherwise indicated in the bidding documents.
- 2.2 Where applicable, special conditions of contract are also laid down to cover specific goods, services or works.
- 2.3 Where such special conditions of contract are in conflict with these general conditions, the special conditions shall apply.

3. General

- 3.1 Unless otherwise indicated in the bidding documents, the purchaser shall not be liable for any expense incurred in the preparation and submission of a bid. Where applicable a non-refundable fee for documents may be charged.
- 3.2 With certain exceptions, invitations to bid are only published in the Government Tender Bulletin. The Government Tender Bulletin may be obtained directly from the Government Printer, Private Bag X85, Pretoria, 0111, or accessed electronically from www.treasury.gov.za

4. Standards

- 4.1 The goods supplied shall conform to the standards mentioned in the bidding documents and specifications.

5. Use of contract documents and information inspection

- 5.1 The supplier shall not, without the purchaser's prior written consent, disclose the contract, or any provision thereof, or any specification, plan, drawing, pattern, sample, or information furnished by or on behalf of the purchaser in connection therewith, to any person other than a person employed by the supplier in the performance of the contract. Disclosure to any such employed person shall be made in confidence and shall extend only so far as may be necessary for purposes of such performance.

- 5.2 The supplier shall not, without the purchaser's written consent, make use of any document or information mentioned in the GCC clause 5.1 except for purposes of performing the contract.
- 5.3 Any document, other than the contract itself mentioned in GCC clause 5.1 shall remain the property of the purchaser and shall be returned (all copies) to the purchaser on completion of the supplier's performance under the contract if so, required by the purchaser.
- 5.4 The supplier shall permit the purchaser to inspect the supplier's records relating to the performance of the supplier and to have them audited by auditors appointed by the purchaser, if so, required by the purchaser.

6. Patent rights.

- 6.1 The supplier shall indemnify the purchaser against all third-party claims of infringement of patent, trademark, or industrial design rights arising from use of the goods or any part thereof by the purchaser.

7. Performance Security

- 7.1 Within thirty (30) days of receipt of the notification of contract award, the successful bidder shall furnish to the purchaser the performance security of the amount specified in the SCC.
- 7.2 The proceeds of the performance security shall be payable to the purchaser as compensation for any loss resulting from the supplier's failure to complete his obligations under the contract.
- 7.3 The performance security shall be denominated in the currency of the contract, or in a freely convertible currency acceptable to the purchaser and shall be in one of the following forms:
- a) A bank guarantee or an irrevocable letter of credit issued by a reputable bank located in the purchaser's country, or abroad, acceptable to the purchaser, in the form provided in the bidding documents or another form acceptable to the purchaser; or
 - b) A cashier's or certified cheque.

7.4 The performance security will be discharged by the purchaser and returned to the supplier not later than thirty (30) days following the date of completion of the supplier's performance obligations under the contract, including any warranty obligations, unless otherwise specified in SCC.

8. Inspections, tests and analysis

8.1 All pre-bidding testing will be for the account of the bidder.

8.2 If it is a bid condition that supplies to be produced or services to be rendered should at any stage during production or execution or on completion be subject to inspection, the premises of the bidder or contractor shall be open, at all reasonable hours, for inspection by a representative of the Department or an organization acting on behalf of the Department.

8.3 If there are no inspection requirements indicated in the bidding documents and no mention is made in the contract, but during the contract period it is decided that inspections shall be carried out, the purchaser shall itself make the necessary arrangements, including payment arrangements with the testing authority concerned.

8.4 If the inspections, tests and analyses referred to in clauses 8.2 and 8.3 show the supplies to be in accordance with the contract requirements, the cost of the inspections, tests and analysis shall be defrayed by the purchaser.

8.5 Where the supplies or services referred to in clauses 8.2 and 8.3 do not comply with the contract requirements, irrespective of whether such supplies or services are accepted or not, the cost in connection with these inspections, tests or analyses shall be defrayed by the supplier.

8.6 Supplies and services which are referred to in clauses 8.2 and 8.3 and which do not comply with the contract requirements may be rejected.

8.7 Any contract supplies may on or after delivery be inspected, tested or analyzed and may be rejected if found not to comply with the requirements of the contract. Such rejected supplies shall be held at the cost and risk of the supplier who shall, when called upon, remove them immediately at his own cost and forthwith substitute them with supplies which do comply with the requirements of the contract. Failing such removal the rejected supplies shall be returned at the suppliers cost and risk. Should the supplier fail to provide the substitute supplies

forthwith, the purchaser may, without giving the supplier further opportunity to substitute the rejected supplies, purchase such supplies as may be necessary at the expense of the supplier.

- 8.8 The provisions of clauses 8.4 to 8.7 shall not prejudice the right of the purchaser to cancel the contract on account of a breach of the conditions thereof, or to act in terms of Clause 23 of GCC.

9. Packing

- 9.1 The supplier shall provide such packing of the goods as is required to prevent their damage or deterioration during transit to their final destination, as indicated in the contract. The packing shall be sufficient to withstand, without limitation, rough handling during transit, and open storage. Packing, case size and weights shall take into consideration, where appropriate, the remoteness of the goods' final destination and the absence of heavy handling facilities at all points in transit.

- 9.2 The packing, marking and documentation within and outside the packages shall comply strictly with such special requirements as shall be expressly provided for in the contract, including additional requirements, if any, specified in SCC, and in any subsequent instructions ordered by the purchaser.

10. Delivery and documents

- 10.1 Delivery of the goods shall be made by the supplier in accordance with the terms specified in the contract. The details of shipping and / or other documents to be furnished by the supplier are specified in SCC.

- 10.2 Documents to be submitted by the supplier are specified in SCC.
