As a public entity, SANParks is also governed by the Public Finance Management Act, Act 1 of 1999 (as amended by Act 29 of 1999), and it is listed in Schedule 3 Part A: Public Entities. The business unit responsible for the bid is Finance.

CONTEXT OF THIS PROCUREMENT

Over the years, SANParks has encountered difficulties in successfully executing the annual procurement plan. It has become evident that one of the primary reasons for delays in implementing the procurement plan is the development of poorly or insufficiently written specifications/Terms of Reference. This issue often leads to the cancellation or withdrawal of bids either during the Bid Evaluation or Bid Adjudication phase. Consequently, bids are frequently referred back to the Bid Specifications Committee for specification or Terms of Reference revision or amendment. This process is time-consuming and results in the extension of delivery dates.

The objective of this Request for Proposal is to procure the services of appropriately qualified service providers (panel) possessing the necessary capacity, experience, skills, and knowledge to aid in managing bids from specification (TOR's) through to the award stage. Additionally, they should offer strategic supply chain management (SCM) advice and support for specialized SCM projects on an as-needed basis. Ultimately, the selected service provider will contribute to enhancing the efficiency of the supply chain process. Given that SANParks is a multi-disciplinary organization, the service providers must possess or be able to furnish the required expertise as and when required.

CONTRACT PERIOD

The contract with the panel of service providers will run for a period of five (5) years. The successful bidders will form part of the panel. Request for quotations will be issued to the service providers on the panel who will compete on the basis of price, specific goals and any other evaluation criteria applicable for the specific RFQ.
