Dear Sir/Madam

Request for Enquiry Number	E1120GXMPMAT
Description / Project Title	Supply and Delivery of Dry Groceries, Non-Alcoholic Beverages, and Packaging to Eskom Matla Power Station for a period of Three (3) years
Tender Questions Closing Date	28.May.2025

Item	Questions	Answers	Clarity Published Dates
1.	The pricing list has repeated information for multiple product items. Please indicate if this will be rectified or if we must price according to the revised pricing list even if multiple items are repeated throughout the list.	New NEC has been corrected and loaded on both National Treasury website and Eskom Tender Bulletin.	19.May.2025
2.	I'm writing to bring to your attention an issue with the NEC tender document. On page 5, there are repeated items with the same numbering. These repeated items will cause discrepancies in the total calculation, as they will be counted multiple times.	New NEC has been corrected and loaded on both National Treasury website and Eskom Tender Bulletin	19.May.2025
3.	I would like to check if the briefing today was compulsory as i could not attend due to not receiving the link.	The briefing was not compulsory to attend though they will be a bit of changes on NEC.	19.May.2025
4.	I've realized that there's no BOQ on the list of attachments provided on the Portal, will the tender be updated or we just need to send a request to you	kindly refer to NEC3 Supply Contract (SC3) for BOQ)	19.May.2025
5.	We are reviewing the NEC contract and have a question regarding the contract duration. The contract mentions sixty months in one section, but the tender specifies a three-year term. Could you please clarify how we should approach pricing for this contract? Should we base our pricing on the sixty-month period or the three-year term?	I believe that is the typing error ,the duration of the contract is 3 years therefore suppliers should quote accordingly to the duration of the contract 3 years (Duration is corrected)	19.May.2025
