1. Background to the National Museum

The National Museum - a natural history, cultural history and art museum was established in 1877 and is a declared cultural institution, which resorts under the Department of Arts and Culture and is governed by a council. The mission of the National Museum is to provide heritage resources and an enjoyable experience to all people through quality research, conservation, education and exhibitions. More information about the organisation can be found at www.nasmus.co.za

2. Purpose and Background

The Museum is seeking quotations for the supply and delivery of a single, top load washing machine. The old machine has reached its useful life, and it is due for write-off and replacement.

3. Specifications of Good(s)

The supplier will be required to supply and deliver a front loader washing machine to National Museum as specified below or similar;
