

Forensic Services Request

Scope of work

PRASA intends appointing a suitable forensic investigation service provider who will provide assistance with the investigation to:

- ascertain whether there is substance into allegations of fraud/corruption, contravention of Prasa policies and/ or south African Legislation or prescripts.
- provide investigation reports on the factual findings and advise PRASA on the recommended course of action
- register criminal case(s) with the South African Police Services (SAPS) and provide technical support (to the SAPS) with criminal investigation, where necessary or required
- cooperate and/ or work in collaboration with other government law enforcement agencies, including but not limited to the Asset Forfeiture Unit (AFU), Directorate for Priority Investigations (HAWKS), National Prosecuting Authority (NPA), Special Investigation Unit (SIU) AND State Security Agency (SSA), where necessary or required.
- assist PRASA in instituting progressive corrective measures, in line with applicable legislation, against the employees who are found guilty of misconduct or criminal offence
- the successful bidder/s shall submit a comprehensive investigation plan with detailed information on resources to be allocated to the investigation
