Each envelope shall state on the outside the Elundini Municipality's address and identification details of the bid, as well as the tenderer's name and contact address. Accept that the Elundini Municipality shall not assume any responsibility for the misplacement or premature opening of the tender offer if the outer package is not sealed and marked as stated. Where stated in the tender conditions that a two-envelope system is to be followed, open only the technical proposal of tenders in the presence of tenderers' agents who choose to attend at the time and place stated in the tender conditions and announce the name of each tenderer whose technical proposal is opened. Employer shall evaluate the quality of the technical proposals offered by tenderers, then advise tenderers who have submitted responsive technical proposals of the time and place when the financial proposals will be opened. Open only the financial proposals of tenderers, who have submitted responsive technical proposals in accordance with the requirements as stated in the tender conditions, and announce the total price and any preferences claimed. Return unopened financial proposals to tenderers whose technical proposals were non-responsive.
30	Telephonic, telegraphic, telex, facsimile or e-mailed tender offers will not be accepted.
31	The closing time for submission of tender offers is as stated in the Tender Notice and Invitation to Tender.
32	The tender offer validity period is 12 weeks . The validity of bids may be further extended by a period of not more than six months upon approval by the Accounting Officer.
33	The tenderer shall provide clarification of a tender offer during the evaluation of tender offers, in response to a request from the employer to do so. Such clarifications can include providing a breakdown of rates or prices and correction of arithmetical errors by the adjustment of certain rates or item prices (or both). No change in the competitive position of tenderers or substance of the tender offer is sought, offered, or permitted.
	Note: This clause does not preclude the negotiation of the final terms of the contract with a preferred tenderer following a competitive selection process, should the Elundini Municipality elect to do so. Failure, or refusal, to provide such clarification or additional information within the time for submission stated in the Elundini Municipality's written request may render the tender non-responsive.

34	The employer shall grant during working hours to premises for inspections, tests and analysis, as provided for in the tender data.
35	A tenderer may request in writing, after the closing date, that the tender offer be withdrawn. Such withdrawal will be permitted or refused at the sole discretion of the Elundini Municipality after consideration of the reasons for the withdrawal, which shall be fully set out by the tenderer in such written request for withdrawal. Should the tender offer be withdrawn in contravention hereof, the tenderer agrees that: - it shall be liable to the Elundini Municipality for any additional expense incurred or losses suffered by the Elundini Municipality in having either to accept another tender or, if new tenders have to be invited, the additional expenses incurred or losses suffered by the invitation of new tenders and the subsequent acceptance of any other tender; - the Elundini Municipality shall also have the right to recover such additional expenses or losses by set-off against monies which may be due or become due to the tenderer under this or any other tender or contract or against any guarantee or deposit that may have been furnished by the tenderer or on its behalf for the due fulfilment of this or any other tender or contract. Pending the ascertainment of the amount of such additional expenses or losses, the Elundini Municipality shall be entitled to retain such monies, guarantee or deposit security for any such expenses or loss.
36	Samples, Inspections, tests and analysis Provide access during working hours to premises for inspections, tests and analysis as provided for in the tender conditions or specifications. If the Specification requires the tenderer to provide samples, these shall be provided strictly in accordance with the instructions set out in the Specification. If such samples are not submitted as required in the bid documents or within any further time stipulated by the Elundini Municipality in writing, then the bid concerned may be declared non-responsive. The samples provided by all successful bidders will be retained by the Elundini Municipality for the duration of any subsequent contract. Bidders are to note that samples are requested for testing purposes therefore samples submitted to the Elundini Municipality may not in all instances be returned in the same state of supply and in other instances may not be returned at all. Unsuccessful bidders will be advised by the Project Manager or dedicated ELM Official to collect their samples, save in the aforementioned instances where the samples would not be returned.
37	Compliance with Occupational Health and Safety Act, 85 of 1993 Tenderers are to note the requirements of the Occupational Health and Safety Act, 85 of 1993. The Tenderer shall be deemed to have read and fully understood the requirements of the above Act and Regulations and to have allowed for all costs in compliance therewith. In this regard the Tenderer shall submit upon written request to do so by the Elundini Municipality, a Health and Safety Plan in sufficient detail to demonstrate the necessary competencies and resources to deliver the goods or services all in accordance with the Act, Regulations and Health and Safety Specification.
38	Claims arising from submission of tender The tenderer warrants that it has: - inspected the Specifications and read and fully understood the Conditions of Contract. - read and fully understood the whole text of the Specifications and Price Schedule and thoroughly - acquainted himself with the nature of the goods or services proposed and generally of all matters which may influence the Contract. - visited the site(s) where delivery of the proposed goods will take place, carefully examined existing conditions, the means of access to the site(s), the conditions under which the delivery is to be made, - and acquainted himself with any limitations or restrictions that may be imposed by the Municipal or other Authorities in regard to access and transport of materials, plant and equipment to and from the site(s) and made the necessary provisions for any additional costs involved thereby. - requested the Elundini Municipality to clarify the actual requirements of anything in the Specifications and Price Schedule, the exact meaning or interpretation of which is not clearly intelligible to the Tenderer - Escalations and escalations rates are clearly disclosed. - received any notices to the tender documents which have been issued in accordance with the Elundini Municipality's Supply Chain Management Policy. The Elundini Municipality will therefore not be liable for the payment of any extra costs or claims arising from the submission of the tender.

39	Employer's Undertaking
40.1	The employer will respond to requests for clarification received up to Five (5) working days before the tender closing time.
40.2	The employer shall issue addenda until before tender closing time If necessary, the employer shall issue addenda in writing that may amend or amplify the tender documents to each tenderer during the period from the date the tender documents are available until Five (5) working days before the tender closing time stated in the Tender Data. The Employer reserves its rights to issue addenda less than Five (5) working days before the tender closing time in exceptional circumstances. If, as a result a tenderer applies for an extension to the closing time stated on the front page of the tender document, the Elundini Municipality may grant such extension and, shall then notify all tenderers who drew documents. Notwithstanding any requests for confirmation of receipt of notices issued, the tenderer shall be deemed to have received such notices if the Elundini Municipality can show proof of transmission thereof via electronic mail, facsimile or registered post.
40.3	Tenders will be opened immediately after the closing time for tenders as stated in the Tender Notice and Invitation to Tender. If requested by any bidder present, names of the bidders, and if practical the total amount of each bid and of any alternative bids will be read out loud. Bids received in time recorded and entered in a register which is open for public inspection.
40.4	Late bids will be registered and returned unopened unless the bidder did not clearly specify their address at the back of the envelope.
40.5	The employer or any of its employees must not disclose to tenderers, or to any person not officially concerned with such processes, information relating to the evaluation and comparison of tender offers, the final evaluation price and recommendations for the award of a contract, until after the award of the contract to the successful tenderer
40.6	Make available a record of the details announced at the tender opening meeting on the Elundini Municipality's website (www.elundini.gov.za)
40.7	Bids must be evaluated in terms of their responsiveness to the bid specifications, requirements as well as criteria as set out in the bid document. Any additional criterial as per communicated addendum shall be considered.
	The Elundini Municipality reserves the right to withdraw any invitation to submit a bid and/or to re-advertise or to reject any bid or to accept a part of it. The Elundini Municipality does not bind itself to accepting the lowest bid
40.8	Determine, after opening and before detailed evaluation, whether each tender offer that was properly received a) complies with the requirements of the standard conditions of tender in this part b) has been properly and fully completed and signed, and c) is responsive to the other requirements of the tender documents. A responsive tender is one that conforms to all the terms, conditions, and scope of work of the tender documents, without material deviation or qualification. A material deviation or qualification is one which, in the employer's opinion, would a) detrimentally affect the scope, quality, or performance of the works, services or supply identified in the scope of work, b) significantly change the employer's or the tenderer's risks and responsibilities under the contract, or c) affect the competitive position of other tenderers presenting responsive tenders if it were to be rectified. Reject a non-responsive tender offer, and do not allow it to be subsequently made responsive by correction or withdrawal of the non-conforming deviation or reservation.
40.9	Due Diligence
	The municipality will conduct intense due diligence which must include inspection of the claimed experience of the preferred bidder(s). The municipality will provide due diligence form which will be used for the assessment purposes of the claimed project experience.

Pricing**Arithmetical errors, omissions and discrepancies**

Check responsive tenders for discrepancies between amounts in words and amounts in figures. Where there is a discrepancy between the amounts in figures and the amount in words, the amount in words shall govern.

If pricing schedules apply and there is an error in the line item total resulting from the product of the unit rate and the quantity, the line item total shall govern and the rate shall be corrected. Where there is an obviously gross misplacement of the decimal point in the unit rate, the line item total as tendered shall govern, and the unit rate shall be corrected.

Where there is an error in the total of the prices either as a result of other corrections required by this checking process or in the tenderer's addition of prices, the total of the prices shall govern and the tenderer will be asked to revise selected item prices (and their rates if Price Schedules apply) to achieve the tendered total of the prices.

Consider the rejection of a tender offer if the tenderer does not correct or accept the correction of the arithmetical error in the manner described above.

Other

For Vat related discrepancies, National and Provincial Treasury prescripts in relation to VAT procedures apply.

Unconditional discounts must be taken into account for evaluation purposes

The Employer must evaluate whether tender has offered a market related offer. If the offer is believed not to be market related, the Municipality through its Supply Chain Management bid committees will attempt to negotiate the offer with identified bidder/s to a reasonable amount. Bidders are not allowed to increase their tender offers during this process

In the event of tendered rates or lump sums being declared by the Elundini Municipality to be unacceptable to it because they are not priced, either excessively low or high, or not in proper balance with other rates or lump sums, the tenderer may be required to produce evidence and advance arguments in support of the tendered rates or lump sums objected to. If, after submission of such evidence and any further evidence requested, the Elundini Municipality is still not satisfied with the tendered rates or lump sums objected to, it may request the tenderer to amend these rates and lump sums along the lines indicated by it.

The tenderer will then have the option to alter and/or amend the rates and lump sums objected to and such other related amounts as are agreed on by the Elundini Municipality, but this shall be done without altering the tender offer in accordance with this clause. Should the tenderer fail to amend his tender in a manner acceptable to and within the time stated by the Elundini Municipality, the Elundini Municipality may declare the tender as non-responsive.

Bidder must comply with all pricing instructions as stated on the Price Schedule and tender conditions.

All prices must include VAT where applicable

The Elundini Municipality may, after the closing date, request additional information or clarification from tenderers, in writing on any matter affecting the evaluation of the tender offer or that could give rise to ambiguity in a contract arising from the tender offer, which written request and related response shall not change or affect their competitive position or the substance of their offer. Such request may only be made in writing by the delegated official using any means as appropriate and such communication must be approved by the Accounting Officer.

EVALUATION OF TENDER OFFERS**STAGE 1: TEST FOR RESPONSIVENESS****a) PHASE 1 OF STAGE ONE: MANDATORY DOCUMENTS AND REQUIREMENTS**

Bidders' proposals must meet the following minimum requirements and supporting documents must be submitted with the completed bid document in a sealed envelope in the bid box at the closing date and time. Failure to comply with the following conditions shall lead to bidder being non-responsive.

1. Bid Document (This Document) must be purchased at a prescribed amount only at Elundini Local Municipality and must be submitted in its original format and not retyped.

RE-ADVERTISEMENT

TERMS OF REFERENCE: Provision of Certification of Communal Farms Shearing Sheds for International Wool Standards

Project Description

(1) The municipality seeks a suitable qualifying Service Provider for the next 3 years (2026, 2027 & 2028 Financial Years) to develop a proposal for communal wool, responsible production to meet the emerging market standards and implement the programme. The program includes:

- Research of the effect of previous impact of responsible production training on communal shearing sheds;
- Develop and implement a responsible production system;
- Develop a 'greening' preparation kit for farmers of those identified areas
- Train the farmers in responsible production;
- Obtain certification for the qualifying shearing sheds (10) being a maximum target in each year

Project Background

The responsible, sustainable, 'green' production of natural fibre in South Africa has increased in the last few years, after considerable pressure from the end-market buyers of wool and mohair and their customers for the manufacturing products. Certain incidents have led to some foreign end market users declining to purchase any South African produced wool and mohair because of perceived animal, environmental and social challenges in the primary production stage.

The wool market is also becoming increasingly demanding of adherence to high standards of production. The world end-user market and specifically the higher end use, are now demanding a responsible, verified value chain from on-farm production to manufacturing. The process of responsible verification of wool and mohair for certification is complicated and it requires knowledge of the requirement and the process. The controlled traditional system areas could face great challenges in meeting the new required standards, but they need to be supported as the bulk of the wool in the Elundini area is coming from the communal farming areas. The high-end market abroad is increasingly demanding responsible traceable raw material to go into manufactured goods. The commercial farms in South Africa, especially in the western region have now begun the process. Verification and certification of the few qualifying ones could lead to the production process on farm obtaining 7-15% premium for certified sustainable wool and mohair.

The need is clear for intervention on behalf of communal farmers to assist them to meet the changing market requirements. This is reflected in the terms of reference for this parcel of work. The Elundini Municipality has already invested into the preparation of sheds for the auditing of Responsible Production Standards and over 30 shearing sheds in the Mt Fletcher area have been certified. The municipality and its partners are currently certifying the final 10 shearing sheds in 2024. The need is now to broaden the process to include more shearing sheds in the Elundini Municipal area.

SCOPE OF WORK/ DELIVERABLES

The Service Provider must deliver the following deliverables:

1. Project initial phase: (Gathering of information and analysis studies)

- Complete the pre-project administrative elements of the 10 shearing sheds each year.
- Develop an analysis study on the impact of responsible production certification on previously certified sheds in the Mount Fletcher area each year.
- Develop a socio-economic study for the participation sheds each year

2. Workshop requirements: (Information and preparation workshops)

- Develop presentations on "responsible wool/mohair production" elements in context to requirements and practical implementation for auditing of a responsible production standard;
- Focus on climate change mitigation measures and value adding chain
- Communal Shearing sheds: Hold workshops on the above subject;

3. Animal Production Training requirements:

- Develop training material and provide training on communal wool sheep production systems with special reference to "responsible wool/mohair production" technics and increase of revenue.
- Provide NQ4 animal handling training and provide certificates to participants.

- Communal Shearing sheds: Hold workshops on the above subject;

4. On-farm shed preparation:

Develop a specific emerging farmer responsible production “greening” kit to meet the international market Standard for each site/‘farm’, inclusive of:

- General Producer Information;
- List of required farm records;
- Carrying capacity and current farm stocking rate;
- How to calculate Stocking Rate (SR) & Carrying Capacity (CC);
- Spreadsheet – calculating Stocking Rate SR & Carrying Capacity (CC);
- Occupational Health & Safety Plan:
 - Farm emergency action and prevention fire plan;
 - Disaster management plan;
- Risk Management Assessment Plan;
- Farm Operational Management Plan:
 - Proposed farm Grazing Management Plan;
 - Stock Management & Health Plans:
 - Angora Goat management & health plan;
 - Sheep Management & health plan;
 - Cattle Management & health plan;
- Livestock annual feeding plan;
- Farm Environmental Management Plan (Cover all relevant aspects);
- Farm Infrastructure Requirements.

5. Develop responsible production record keeping registers.

Communal Shearing sheds: Hold workshops and train the shed members on the above subject;

6. Arrange audit visits, pay for the audit and be available to assist the farmers/ sheds for the initial audit by the auditors.

If the initial audit is unsuccessful draft a report and provide input to the site for a re-audit.
