Partial Meet = 1
Meet = 2

Proof of level of compliance to these items is to be submitted with the tender package. This proof is to constitute documentation / proof / comments / sufficient information, item by item. A simple "yes" or "no" will not suffice.

Tenderers will be expected to score at least the minimum threshold of 70% per functional area to proceed to the next step. Tenderers will be deemed technically not acceptable if any of the functionalities score less than 80%.

The final total given will be used to rank Suppliers who are technically acceptable.
