1. Purpose

The purpose of this document is to describe the business requirements for this Request for Quotation (RFQ-2022/23-0275) required by Interfront for completion, submission and performance of the required services as described in paragraph 4 and to request accredited service providers to submit a response for the services as detailed.

All bids, contracts or orders for goods or services shall be subject to the General Conditions of Contract as published by National Treasury of the Republic of South Africa. In the event of any conflict between the provisions contained in any contract or agreement in place as between Interfront and the supplier / contractor / service provider and the General Conditions of Contract, the provisions as contained in the General Conditions of Contract shall prevail. Kindly familiarise yourself with these provisions at www.treasury.gov.za

2. RFQ is not a contract

This RFQ does not constitute a contract with Interfront but merely serves to request information that may lead to an agreement / order between Interfront and the Service Provider.

3. Preparation Costs

The Service Provider will bear all its costs in preparing, submitting and presenting any response or Proposal to this RFQ and all other costs incurred by it throughout the RFQ process.

4. Description Of Goods/Services Required

We require a company that repurposes UPS systems to turn off/decommission the current x2 UPS's at Gleneagles Building, Somerset West and purchase it.

The work should include:

-quotation on decommissioning and removing UPS'.

-removing the UPS systems. One in server room and one in basement.

UPS Models:

Basement - UPS – Dura Power DSP 3000

Server Room - UPS – APC MGE Galaxy 3500

Please include travelling, call out fee and other miscellaneous items that the quote might need.

Address: Gleneagles Building, Somerset Links Office park, De Beers Avenue, Somerset West

Note: Suppliers should be interested in purchasing the UPS's. Those who would like to make an offer to purchase the UPS's may submit a bid along with their quotation and arrange for collection/removal at their own cost. (Please submit two separate documents)

Attached to the UPS system are:

-cables linked to UPS system

Once completed a Certificate of Compliance to be given.

5. Duration of engagement:

Once Off

6. Evaluation

The 80/20 Preference point system will be used for this RFQ for the acquisition of goods and services with the Rand value equal to or below R50mil inclusive of all applicable taxes. The evaluation shall be based on the Preferential Procurement Policy Framework Act, 2000: Preferential Procurement Regulations, 2022 and the points for evaluation criteria are as follows:

Adjudication Criteria	Points
Price	80
Specific goals	20
TOTAL	100

- Price shall be scored as follows:

$$P_s = 80 \left(1 - \frac{(P_t - P_{min})}{P_{min}} \right)$$

Where: P_s is the number of points scored for price;

P_t is the comparative price of the quote under consideration;

P_{min} is the comparative price of the lowest acceptable quote.

- Preference points shall be scored as per the attached SBD6.1 document.

See SBD6.1 for further explanation on Price and Specific goals evaluation.

The total number of adjudication points (N_T) shall be calculated as follows:

$$N_T = P_s + N_p$$

Where: P_s is the number of points scored for price

N_p is the total number of points obtained for specific goals
