## ADDENDUM No 3

### PROCEDURE FOR ADDENDA

This Addendum forms an integral part of the Tender Document and the subsequent Contract with the successful Tenderer. The variations and amendments to the Tender Document as described hereafter, shall take precedence. Notwithstanding anything said during the Tender Period or Site Inspection, only the additional information or variations and amendments contained in this Addendum, and subsequent Addenda, if any, will be legally binding.

Bidders are required to make any correction or amendment instructed in Addenda by deleting and or adding such text in the Tender Document and to sign next to such amendment in black ink before making copies for submission of the Bid.

| <b>Page 9</b><br><b>Eligibility Criteria</b><br><b>5.1.1</b>        | o) more than one bid has been submitted by a Tenderer. Each Tenderer shall submit only one bid for the same project, either individually as a Tenderer or as a partner in a joint venture. No Entity can be a subcontractor while submitting a bid individually or as a partner of a joint venture in the same bidding process. An Entity, if acting in the capacity of subcontractor in any bid, may participate in more than one bid, but only in that capacity. A Tenderer who submits or participates in more than one bid will cause all the proposals in which the Tenderer has participated to be disqualified; | o) more than one bid has been submitted by a Tenderer. Each Tenderer shall submit only one bid for the same project, either individually as a Tenderer or as a partner in a joint venture.     |
| <b>Page 10</b><br><b>5.13.1</b>                                     | The successful bidder will be required to submit a "Letter from the Workshop Owner" confirming the working arrangement within 14 days after the receipt of a "Letter of Notification to Bidder" from this Department. Failure to comply with this requirement within 14 calendar days shall result in the bid being awarded to another bidder.                                                                                                                                                                                                                                                                         | Paragraph deleted                                                                                                                                                                              |
| <b>Page 14 PHASE 1:</b><br><b>MANDATORY</b><br><b>REQUIREMENTS:</b> | 2) The Tenderer is registered with the Construction Industry Development Board in the required contractor grading designation or higher. Proof                                                                                                                                                                                                                                                                                                                                                                                                                                                                         | 2) Only those Tenderers who are registered with the CIDB, prior to the evaluation of submissions, in a Contractor grading designation equal to or higher than a Contractor grading designation |
