RT64-2026: SUPPLY AND DELIVERY OF CLOTHING, UNIFORMS AND RELATED ACCESSORIES TO THE STATE FOR A PERIOD OF THIRTY-SIX (36) MONTHS

	QUESTIONS	ANSWERS
	Please confirm the closing date for the tender?	The tender has been extended to close 7 November 2025 @ 11:00am
	In Annexure B Pricing Schedule, Row 122 downwards - Column U, formula isn't dragged down. You repeatedly several times that we must not change the structure of the spreadsheet, but I assume we can correct the formula?	Bidders must complete the cost components attached as RT64-2026 Cost components . The cost components does not replace the Anneure B but to make it easy for bidders to only populate the cost components.

	QUESTIONS	ANSWERS
	Just with regards to the last point – these cells are locked so we can't actually drag the formula down. Please let us know how we can proceed?	
	Please could you advise on the query below. In Annexure A: • Styles RT64-666, RT64-667, RT64-668, RT64-669, RT64-670 are all listed as COAT, FOOD HANDLER'S, CHEFS; DOUBLE BREASTED STYLE spec is for SAN026 dated September 2011 which is an Apron not a jacket. • Styles RT64-666, RT64-667, RT64-668, RT64-669, RT64-670 are all listed as COAT, FOOD HANDLER'S, CHEFS; DOUBLE BREASTED STYLE spec is for SAN026 dated September 2011 which is an Apron not a jacket.	1. The correct specification is SAN121 2. The correct specification is SAN026

	QUESTIONS	ANSWERS
	Kindly provide the following specifications: PS948FC; PS948MC; PS699MC; PS699FC. Dept Correctional Services Line item RT64-037G; 038G; 039G; 040G	The following specification are attached on DCS Specification fodder PS948FC: Ladies work wear short sleeve shirt PS948MC: Male work wear short sleeve shirt PS699MC: Male work wear trouser PS699FC: Female work wear trouser Bidders must check in the folders for technical specifications and also ensure to check by description.
	1. Just an update from us. The following is missing on our side : FPSGP/FDWB001/2016 Version Jun 2025 – We have found an older one FPSGP/FDWB001/2016 Version: Oct 2017 but await the newer version. 243 PS May 2001. This one we believe is probably a typo and should be 423 PS May 2001, which is contained in the folders for DCS and GCS that you have already uploaded.	1. The specifications for Forensic Pathology Service and DCS are loaded on the portal. The specification name for the DCS Rain Suit item is indeed “243 PS May 2001”, as reflected in the specification, and not PS 243 May 2001. The file name was incorrectly named. 2. SAN 022 is loaded on the portal. Bidders must check the specifications in the folders for technical specifications.

	QUESTIONS	ANSWERS
	2. SAN 022 dated July 2006. We don't have any version of this on file.	
	Please advise whether the Local Content Declaration must be completed manually (in pen), or if bidders are permitted to type in the required information and simply sign where applicable.	Bidders may complete manual or electronically. The required documents must be well completed and be signed.
	Additionally, I would appreciate clarification on the which technical spec item number the terms "Drab" and "Cushion" referenced refer to in the SABS 1382 E2.1 doc. RT64-905, RT64-906 and RT64-907	1. Cushion sole is a type of Inner sock 2. Drab is referred to as a colour of the material
	Kindly confirm the UOM on the below items are Pairs and not Each as indicated on the Pricing schedule: Item 229: Shoulder Flashes – DEPARTMENT OF FORESTRY, FISHERIES AND THE ENVIRONMENT	1. The UOM of the item hereunder =EACH as per the published Annexure B - RT64-2026 Pricing Schedule. Item 987: Shoulder Flashes – SOUTH AFRICAN REVENUE SERVICE 2. Gauteng Department of Community Safety, the flasher should be in pairs. 3. DFFE shoulder boards are to be supplied in pairs. 4. SA Navy shoulder boards are to be supplied in pairs. 5. All items listed below UOM are in pairs. The SAPS spec requires 6 pairs in the packaging – line 878

	QUESTIONS	ANSWERS
	Item 630-647: Shoulder Boards - SOUTH AFRICAN NAVY Item 987: Shoulder Flashes - SOUTH AFRICAN REVENUE SERVICE Item 059: Shoulder Flashes - DEPARTMENT OF GAUTENG COMMUNITY SAFETY Also please find the following UOM discrepancies: Item 878: SAPS Shoulder Flashes, Reservist, Iron-on – Specification requires 6 PAIRS, Pricing Schedule is asking for 6 Units Item 766: SAPS Iron on Guard – Specification requires 5 Units, Pricing Schedule is asking for 10 Units	1. The SAPS spec requires 5 pairs in the packaging – line 477
	Kindly advise on Item RT64-934: TWO-PIECE ACID-RESISTANT BOILER SUITS on page 2 of 30 specification 3137/2019 request that on the quality management system (QMS) of the company manufacturing the boiler suits, must be	1. SANS/ISO 9000 is a Quality Management System of which companies can obtain to be credited against the SANS/ISO 9000. 2. In NO Circumstances does this relate to the 'Quality Management System' effect on the service ability not quality of the product. Hence the need for a private specification that determines the quality and workmanship of the product.

	QUESTIONS	ANSWERS
	ISO 9001. However, on item RT64-933 the same requirement of TWO-PIECE BOILER SUIT does not request for the ISO 9001 certificate. I propose that both items should request for the ISO 9001 certificate. Please advise accordingly.	
	Please clarify the below items: RT64-387 specifies two different spec numbers. Please confirm which specification is the correct one to quote on and supply a sample of. RT64-043 is making reference to a windbreaker from the DCS range however the warm unisex windbreaker specification for DCS is PS1153 Revised June 2007. Please confirm if there is another spec that might be omitted.	1. DCS is PS1153 Revised June 2007, is correct. Refer to Item RT64-043 2. Please note that changes were made on the description which read as SAPS 2066 VERSION 04.0/JUNE 2012 instead of SAPS 2722/2018 Version 04.0/January 2018 same as specification number. Refer to item RT64-387
	Can you please supply me with the specification for Item 543-545: GG/ALG/036, OFFICERS JUL 2015 for SAMHS	1. spec number KMG 6034 November 1991 is replaced by specification number SG GEN 112 July 2014. 2. Specification no GG ALG 019 August 1992 is replaced by specification number SG GEN 019 July 2015.

	QUESTIONS	ANSWERS
	The specification is not included in the specs provided and I unfortunately do not have a copy on record.	3. The content remained unchanged only the updated version numbers.
	Please provide with specification for item RT64-177	1. The correct specification to be used is BO 002 Version 01.0 Ladies Blouse SS September 2016

NOTE: Bidders must take note of the exemption letter turnaround time is 48 hours for DTIC to process the exemption request(s). Bidders are advised not to wait for the day of tender to close to adhere to the above note.

Kind regards
