### Section 3: SDL&I Undertaking

**Tenders who complete and submit the undertaking as required, but who do not meet Eskom's targets, will not be disqualified. SDL&I undertakings do not form part of scoring but commitments will form part of contractual obligations**

#### Skills Development

Eskom reserves the right to negotiate with the tenderer on Eskom's requirements. The outcome of the negotiations will be a contractual obligation. If negotiations are not required, the tenderer's SDL&I undertaking will become a contractual condition.

Skills development is designed to benefit the currently unemployed graduates from school; further education and training campuses; and universities.

The composition of these candidates must be representative of the population demographics of South Africa. Note that these targets for skills development candidates categorically exclude Eskom employees and registered learners.

It is expected that a total of 50 individuals should be trained on the courses stipulated below (if the budgeted value for this service is utilised) over the period of 3 years.

**Tenderers are required to propose against the following training initiatives:**

Eskom Target	Entry Requirement	Exit Requirement	Tenderer Proposal
Incident Investigator X 2 learners	Older than 16 years. Grade 10. Speak, write and understand English	Incident Investigation Level 3	
Security Guard Training Course X 5 learners	Older than 16 years. Grade 10. Speak, write and understand English	Grade A Security with PSIRA registered instructor.
