## 2.3 STAGE 2: RFP REQUEST FOR PROPOSAL PROCEDURES FOR BIDDERS ON THE PANEL

When bidders on the panel are invited for RFP, the following aspects will be considered but not limited to:

Topic	Description / Requirements
Grading	Cost, location and Complexity of the project will determine the grading from which the service provider will be drawn from in the data base.
Nature of the works and services required	<b>Scope of works and services</b> will be defined
Financial proposal	<p>The SAPS will have the right and discretion to reject a <b>financial proposal</b> with unreasonable fees discounts which may pose a risk to the project. Bidders should ensure that the financial proposals are aligned to the allocation of resources to the project.</p> <p>If a <b>professional fee discount</b> is proposed, bidders will be required to substantiate their financial proposal indicating professional level of human resources, time allocation and the remuneration rate related to the specific project and aligned to the proposed methodology.</p>
Professional Indemnity	Valid Professional Indemnity Cover as per contract data.
Interview of the KeyResources	The employer <b>may</b> contact the key resources allocated to the project to confirm their engagement with the bidder.

CIDB Standard  
for Developing  
Skills (SDS)

In applicable, Compliance with the Standard for Developing Skills (SDS) as per the Government Gazette 36760 of CIDB will be required.

The client will allocate a provisional amount to cover the cost for the SDS, which may be adjusted during implementation of the project in compliance With the gazette

## SECTION 3: CONTRACT

### 3.1 BID CONTRACT DATA

This services contract is based upon the **CIDB Standard Professional Services Contract**, published by the CIDB in July 2009.

Specific contractual obligations will be confirmed in the Request for Proposal as and when is required.

#### NOTE:

Services providers who qualify to be in the panel may be invited to submit financial proposal for available projects as and when is required.

The SAPS will invite the service providers who qualified for this panel to compete for SAPS projects during this 36 months. Appointments for projects will be as and when required and will be dependent on project and budget availability.

It must also be noted that the SAPS may decide to go out on an open tender for certain types of projects such as complex, mega or specialized projects or any project it wishes to go on an open tender.

Professional Service Provider's who qualify to be in the panel can be invited to respond to projects specific bidding for price in line with project scope, complexity and value in accordance with the SAPS SCM Policy. A second appointment letter will be provided for actual allocation of projects

PSP's must submit separate proposals for each discipline they wish to be involved in provided they meet the required criteria. Note that PSP's who choose to bid for more than one discipline are required to submit a bid document for each discipline they intend to bid for.

Upon successful appointment for the projects, PSP's will be required to submit a Professional Indemnity.

The PSP's are to ensure that they have adequate resources to undertake the work under stringent timeframes and be required to take cognizance of the roles of the other professionals that might be involved on the project.

SAPS reserves the right to ask PSP's to replace any member/s of the proposed team if they do not meet the SAPS requirements.

### 3.2 FEE STRUCTURE PER STAGE

Fees shall be structured as per the latest Board Notice at the time of the RFP.

## SECTION 4: PRICING DATA

### 4.1 PRICING INSTRUCTIONS

#### 4.1.1 Basis of remuneration, method of bidding and estimated fees

Professional fees for time-based services where required will be paid based on the current NDPWI "Rates for Reimbursable Expenses" at the time of the allocation of projects. Although these rates will apply, pricing may be a factor in determining the suitability of the proposal regarding the services to be provided.

#### 4.1.2 Typing, printing, duplicating work and forwarding charges

##### A. Reimbursable rates

The costs of typing, printing and duplicating work in connection with the documentation which must of necessity be done shall be reimbursable at rates applicable at the time of the execution of such work. The document NDPWI "Rates for Reimbursable Expenses" as adjusted from time to time and referred to below, is obtainable on the Employer's Website: <http://www.publicworks.gov.za/> under "Documents"; "Service providers Guidelines"; item 1.

**Typing and duplicating expenses** shall only be refunded in respect of the final copies of the following documents namely formal reports, formal soil investigation reports, specifications, feasibility reports, bills of quantities, minutes of site meetings and final accounts. The cost of printed hard covers shall only be paid in respect of documents which will be made available to the public such as bills of quantities and specifications or where the provision of hard covers is specifically approved.

**The typing of correspondence**, appendices and covering letters are deemed to be included in the fees.

#### 4.1.3 Travelling and subsistence arrangements and tariffs of charges

##### A. General

The most economical mode of transport is to be used taking into account the cost of transport, subsistence and time. Accounts not rendered in accordance herewith may be reduced to an amount determined by the Employer.

As the tariffs referred to hereunder are adjusted from time to time, accounts must be calculated at the tariff applicable at the time of the expenditure.

The Employer shall not be liable for travelling expenses for less than 50 km radius away from the base office.

Where journeys and resultant costs are in the Employer's opinion related to a Service Provider's malperformance or failure, in terms of this Contract, to properly document or co-ordinate the work or to manage the Contract, no claims for such costs will be considered.

The traveling disbursement cost will only be considered from the location of the project site and the closes location between the PSP's office or the SAPS's office managing the project.

##### B. Hired vehicles

In cases where use is made of hired vehicles, the most economical sized vehicle available is to be used but compensation shall nevertheless be restricted to the cost of a hired car not exceeding a capacity of 1300 cc. Where use of a special vehicle is essential (e.g. four track or minibus to accommodate more people), prior approval in writing must be obtained from SAPS.

## SECTION 5: SCOPE OF SERVICES

### 5.1 PROFESSIONAL SERVICE PROVIDER'S OBJECTIVES

The objective of this bid is to invite and appoint suitable Professional Service Providers that can provide and maintain a professional service to the South African Police Service (SAPS), in order to successfully implement the construction administration and closeout of these project/s, i.e., management and closing out the project/s.

The PSPs shall provide professional Electrical engineering services as detailed in the latest ECSA Board Notice and any other services related to the scope of work in the built environment which may reasonably be required for the successful completion of an infrastructure delivery project / programme.

The Electrical Engineering firm/section/unit may be expected to form a project team with other professional disciplines within the Built Environment.

The PSP shall provide suitably qualified, experienced personnel to undertake assignments relating to the delivery of the project/s as set out below as and when required during the Period of Performance.

Service providers may be appointed for stages 1 to 6 or partial services, depending on the project, and will be expected to perform all activities and submit all deliverables as described in the deliverables aligned to the Government Gazette.

The PSP will be appointed for the duration of the project, which incorporates any necessary project related variations. PSP are to note that once appointed, they will be expected to commence the work within the specified duration prescribed in the contract data.

Scope of service will be established when a project becomes available, and service providers in the relevant panel will be invited to submit quotes through the Request for Proposal (RFP) process.

## 5.2 GENERAL REQUIREMENTS

### 5.2.1 Services

The Services required shall generally be all “**Electrical Engineering Services**” as defined in the Government Gazette/s, unless otherwise reduced in writing.

The PSP's shall be instructed by the SAPS in writing to undertake specific assignments as additional services in terms of the contract as and when required during the contract period.

### 5.2.2 Location

Location of the project will be confirmed when actual allocation of project/s has been done.

### 5.2.3 Project Programme

The PSP shall prepare a detailed programme for the performance of the Service which shall be approved by the SAPS. The programme shall be in sufficient detail to monitor the PSPs performance.

No agreed milestones may be extended beyond the timeframes outlined in the programme without acceptable motivation and approval by the SAPS.

### 5.2.4 Reporting Requirements and Approval Procedure

The PSP shall submit monthly (Aligned with prescribed Phase deliverables and fixed time deliverables and dates) progress reports, cost reports, cash flows and labour reports on the agreed date over and above site and technical meeting minutes required by the relevant contract on the time that the project is allocated.

Notwithstanding any other requirements, the PSP shall submit a monthly report covering progress (programme, delays, scope change, critical path, etc.), costs (expenditure, cash flow, variation orders, etc.), milestones, socio economic achievements (number of jobs created, use of SMMEs, interns, etc.), challenges and achievements.

### 5.2.5 Safety

The PSP shall provide all safety equipment as required for his staff and shall undertake all duties in conformance with the relevant OHS legislation.

### 5.2.6 Software application for programming

The PSP must avail himself of software to be used for compatibility with the SAPS software before undertaking the work utilizing the software. The PSP shall at its costs convert data files to a format compatible with the SAPS software if it chooses to utilize software different from that used by the SAPS. No additional compensation will be considered for this activity.

### 5.2.7 Use of reasonable skill and care

It will be expected of the PSP to apply reasonable skills and due diligence in the execution of the duties stipulated in this document and the latest edition of ECSA Code of Conduct.

The PSPs documents and recommendations may be scrutinized by the SAPS, this shall in no way relieve PSP of their professional responsibility for the proper and prompt execution of their duties.

### 5.2.8 Compliances with standards and regulations

The implementation of works shall be executed in compliance with:

- National Building Regulations and Building Standard Act
- Relevant SANS Standards
- PW 371-B Construction Works: Specifications (Edition 2.2 December 2015) from DPWI
- Five Star Specification Document
- National Treasury's IDMS Framework for Infrastructure Delivery and Procurement Management

## 5.3 INDICATIVE SCOPE OF WORK

The PSP Panel will be utilized for the implementation of infrastructure projects falling under the following categories:

Category	Description of Works
Green Field	New Building
Brown Field (Any of)	Refurbishment Upgrade Renovations Maintenance Repairs Extensions Demolitions
