

ERRATUM NOTICE NUMBER: UGU-07-1696-2025

Erratum tender notice for UGU-07-1696-2025, KWAMGAI AND SURROUNDS WATER - PHASE 1: Construction of 12.5km Gravity Main and 17.5km Reticulation Pipelines Including Bulk Connection to Existing 2.5ML Reservoir, Construction 3KI Elevated Water Storage Tank and 72 (no.) Standpipes at Maximum 200mm Radius

The erratum aims to amend the online tender notice that was published on 16 May 2025 on the CIDB website, National Treasury e-Tender portal and Ugu District Municipality website.

The tender notice amendment is detailed below.

1. **CIDB CONTRACTOR GRADING**

It is estimated that tenderers should have a CIDB contractor grading of **7CE or higher** rather than 4CE or higher as stated on the previously published tender notice.

2. **COMPULSORY BRIEFING SESSION**

A compulsory site clarification meeting was held on 23 May 2025. Details of this briefing were omitted from the online tender notice. Due to this oversight, an additional clarification meeting will be held virtually on **20 June 2025** on **Microsoft Teams** (Click this [Meeting Link](#) to join). Kindly note that those tenderers who attended the site briefing are exempt from this online meeting.

3. **TENDER CLOSING DATE**

Due to these amendments to the tender notice and the number of enquiries that necessitated issuing of addenda, the tender closing date is hereby amended from **Friday, 20th June 2025**, to **Friday, 4th July 2025**.

We apologise for any inconvenienced caused.
