4.1.2	Add the following to the clause: The Contractor shall provide the following to the Employer's Agent for retention by the Employer or his assignee in respect of all works (including Temporary Works) designed by the Contractor: i. Certificate of Stability of the Works signed by a registered Professional Engineer/Technologist confirming that all such works have been designed in accordance with the appropriate codes of practice. ii. Proof of registration and of adequate and current professional indemnity insurance cover held by the designer(s). iii. Design calculations should the Employer's Agent request a copy thereof. iv. Engineering drawings and workshop details (both signed by the relevant professional engineer), in order to allow the Employer's Agent to compare the design with the specified requirements and to record any comments he may have with respect thereto. v. "As-Built" drawings in DXF electronic format after completion of the Works. The Contractor shall be responsible for the design of the Temporary Works.
4.3.3	Add the following new clause: The Contractor shall comply with the Occupational Health and Safety Specification prepared by the Employer in terms of the Construction Regulations, 2014 promulgated in terms of Section 43 of the Occupational Health and Safety Act (Act No. 85 of 1993). Without limiting the Contractor's obligations in terms of the Contract, the Contractor shall before commencement of the Works or any part thereof, be in the possession of an approved Health and Safety Plan. The Contractor shall submit an approved Health and Safety Plan to the Employer's Agent within 14 days from the date that the Agreement made in terms of the Form of Offer and Acceptance comes into effect.
4.3.4	Add the following new clause: Contractor's liability as mandatory Notwithstanding any actions which the Employer may take, the Contractor accepts sole liability for due compliance with the relevant duties, obligations, prohibitions, arrangements and procedures imposed by the Occupational Health and Safety Act, 1993 (Act 85 of 1993), and all its regulations, including the Construction Regulations, 2014, for which he is liable as mandatory. By entering into this Contract, it shall be deemed that the parties have agreed in writing to the above provisions in terms of Section 37 (2) of the Act.

5.4.2	The access and possession of Site shall not be exclusive to the Contractor but as set out in the Scope or Works and/or Site information
5.7.1	Delete the last paragraph of the clause and replace with the following: No instruction by the Employer's Agent to expedite the progress of the Works shall entitle the Contractor to additional compensation unless the Employer's Agent has obtained the Employer's prior written approval for such additional compensation. Where the instruction to expedite the Works is expected to result in additional costs to the Employer, the Employer's Agent shall obtain the Employer's prior written approval before issuing the instruction. The instruction shall clearly state the Contractor's entitlement to additional compensation and shall specify either the approved amount or the basis upon which such compensation shall be determined.
5.8.1	The non-working days shall be Sundays and official South African public holidays Special non-working days shall be all South African Statutory holidays and the official building holidays, which shall generally be from 16 December to the start of the first full working week in January.
5.12.3	Delete the contents of the clause and insert the following: If an extension of time is granted, other than an extension resulting from abnormal rainfall in terms of Clause 5.12.5, the Contractor shall be paid such additional time-related General Items as are appropriate having regard to any other compensation which may already have been granted in respect of the circumstances concerned.
5.13.	Delete the contents of the clause and insert the following: 5.13.1 If the Contractor fails by the Due Completion Date to complete the Works, or any specific portion thereof that is identified in the Scope of Works to the extent which entitles him in terms of Clause 5.14.2 to receive a Certificate of Practical Completion for the Works, then the Contractor shall be liable to the Employer for the sum(s) stated below as (a) penalty(ies) for every day which shall elapse between the Due Completion Date for the Works or the specific portion of the Works and the actual Date of Practical Completion of the Works or of the specific portion. The penalty for delay shall be: R15 000 per day. 5.13.2 If before the issue of a Certificate of Practical Completion for the whole of the Works, or for any specific portion thereof that is identified in the Scope of Works, any further part of the Works has been: 5.13.2.1 certified as complete in terms of a Certificate of Practical Completion; or 5.13.2.2 occupied or used by the Employer, his agents, employees or other contractors (not being employed by the Contractor);

	Then the appropriate penalty for delay referred to in Clause 5.13.1 above may be reduced by the amount which is determined by the Employer's Agent to be appropriate under the circumstances. 5.13.3 The imposition of penalties in terms of Clause 5.13.1 shall not relieve the Contractor from his obligation to complete the Works, nor from any of his obligations and liabilities under the Contract. 5.13.4 All penalties for which the Contractor becomes liable in terms of Clause 5.13.1 shall be cumulative. The Employer may recover such penalties by deducting the applicable amounts from any monies due or becoming due to the Contractor, in addition to any other rights or remedies available to the Employer under the Contract. 5.13.5 The imposition of any penalties in terms of Clause 5.13.1 shall not limit the right of the Employer's Agent to act in terms of Clause 9.2.				
5.14.1	The requirements for reaching Practical Completion are: i. Completion of all reinforced concrete structures and pipelines including testing' ii. Completion of all civil works including access roads, fences, admin building and any other items relating to security for the site and operators; iii. Completion of all mechanical & electrical works including starting up, testing, commissioning and 12 Months Trial Operational Period for the complete works;				
6.2.1	Replace the wording "as selected" in Clause 6.2.1 with "as stated". The security to be provided by the Contractor shall be: A fixed performance guarantee of 10% of the Contract Sum plus retention of 10% of the value of the works completed.				
6.3.1	before the employer's agent can order a variation, they must have obtained prior approval from the employer.				
6.8.2	Contract Price Adjustment will be applicable for this contract. Contract Price Adjustment (CPA) shall apply to this Contract in accordance with the provisions of the General Conditions of Contract (GCC) 2015 (3rd Edition). The value of each payment certificate shall be adjusted in accordance with the Contract Price Adjustment formula contained in the GCC and the Contract Data. The non-adjustable portion of the Contract Price shall be: $X = 0.15$ The adjustable portion of the Contract Price shall comprise the following coefficients: <table border="1"> <thead> <tr> <th>Cost Component</th><th>Coefficient</th></tr> </thead> <tbody> <tr> <td>Labour (a)</td><td>0.20</td></tr> </tbody> </table>	Cost Component	Coefficient	Labour (a)	0.20
