

HESSEQUA MUNICIPALITY

HES-TECH 06/2324

**THE APPOINTMENT OF A PANEL OF SERVICE PROVIDERS FOR STRIPPING,
REPAIR, SERVICE, SUPPLY AND INSTALLATION OF PUMPS, MIXERS, ELECTRONIC
MOTORS AND THE REPAIR AND MAINTENANCE OF GENERATORS IN THE
HESSEQUA MUNICIPAL AREA FOR A PERIOD OF THREE (3) YEARS**

PART C2: PRICING DATA

C2.1 Pricing Schedule

Pricing shall not be applicable for evaluation of this bid. Functionality will be used as a basis to appoint a panel of service providers to follow the quotation process after approval of funding per project.

The implementation of the tender will be as follows:

1. Once the panel of service providers is selected based on the highest functionality score, each bidder on the panel per section will be given an opportunity per section to provide a quotation based on our scope, budget, and criteria.
2. The Technical Department will determine the scope of works, BOQ and criteria for the quotation that will be provided to the bidders.
3. Quotations amongst framework contractors invited: Invite quotations from all framework contractors participating in the agreement, receive and evaluate submissions and prepare evaluation report.
4. Bidder must provide a quotation within 7 calendar days or depending on the urgency.
5. The Municipality will authorize the issuing of the order.
6. Administer orders in accordance with contract and confirm compliance with requirements.
