 - e) Suppliers around Johannesburg, Pretoria, and Witbank areas

CONTROLLED DISCLOSURE

3.1.1 Description of the service and estimated Kilometres

Item no	Description	UOM	QTY		Rate	Total Amount (5 years)
			Per annum	5 Years		
1	Transportation of laboratory samples from/to Majuba Power Station as and when required [Based on a travel distance of 800km return trip a day, for 3 days a week, 4 weeks a month]	km	115200	576000		

3.2 Employer's requirements for the service

- a) The service will be needed as and when required. The Supplier should provide their own vehicle that can load up to 1 ton for transportation.
- b) The collection can be from Majuba power station to the destination, or from another area/place for collection to Majuba Power station for delivery.
- c) The Supplier can be asked to deliver in more than one area/place (destination) as long as the distance between the two destinations (areas/places) is not more than 60km.
- d) A Supplier should use a vehicle that is road worthy as per Eskom's procedures and policies.
- e) Supplier should adhere to any other Eskom's SHEQ requirements.
- f) The driver should produce a medical certificate of fitness to the employer.
- g) The driver should have a valid driver's license to the employer.
- h) The Supplier will be liable for any damages of delivered items due to driver negligence.
- i) The Supplier should adhere to the Employer's requirements for transportation, e.g.: samples to be transported in a cooler box, etc. The Employer will advise and provide necessary consumables to be used.
- j) Transport can be requested at any time since a power station operates 24 hours, the Supplier should be readily available at any time.
- k) The Supplier should be in the Seme municipality areas because the response time to arrive at Majuba Power Station for collection should not be more that 45 minutes. This is due to urgent and emergency requests.
- l) The Employer will endeavour to inform the supplier of transport requests prior, but in case of emergencies, the supplier should be able to provide the service.

CONTROLLED DISCLOSURE
