## **TERMS OF REFERENCE**

**FOR**

### **PROVISION OF ACTUARIAL SERVICES ON PENSION AND PROVIDENT FUNDS OF GREAT NORTH TRANSPORT EMPLOYEES**

**REQUEST FOR PROPOSALS (RFP) : LEDA/PPF/2024/25-1**

**CLOSING DATE : 28 FEBRUARY 2025**

**CLOSING TIME : 11H00**

**VALIDITY PERIOD : 90 DAYS**

## **1. INTRODUCTION**

Great North Transport (SOC) Ltd (GNT) is a wholly owned subsidiary of the Limpopo Economic Development Agency (LEDA). GNT was established in 1996 following the amalgamation of Gazankulu Transport (Pty) Ltd, Far North Bus Services and Lebowa Transport (SOC) Ltd. The company provides reliable bus transport services in Limpopo and some parts of Mpumalanga.

GNT operates several depots across Limpopo, including locations in Tzaneen, Bapedi, Seshego, Motetema, Giyani, Phalaborwa, Marbel Hall, Mokopane, and Makhado. The company is authorized to operate 388 buses, with the capacity to transport approximately 20 million passengers annually throughout the province.

## **2. PROJECT BACKGROUND**

The Great North Transport Pension Fund (GNTPF) was established on November 1, 1990, following the merger of the Gazankulu Transport Provident Fund and the Lebowa Transport Provident Fund. These companies had their own pension/provident funds before the merger. All fund assets were transferred to the new funds. The fund required an 11% employer contribution and a 7.5% employee contribution for each employee's pension benefits. Over the years, the GNTPF has been administered by at least four different fund administrators, some of whom are currently liquidated. The last administrator, relevant to this investigation, managed the fund until 2017. At the time of administration by the last fund administrator, there were 1,164 members, excluding unclaimed benefits, which are now being handled internally by GNT.

However, in between the years, Great North Transport (GNT) began facing financial challenges, particularly in meeting the timely payment of statutory obligations including pension/provident fund contributions. These delays persisted for several years, with the Limpopo Provincial Treasury being requested by Limpopo Department of Economic Development, Environment and Tourism (LEDET) to conduct a forensic investigation into the potential mismanagement of contributions from 01 April 2010 to 30 September 2017. The investigation, completed on 20 May 2021, revealed that a significant portion of contributions was not paid to the fund on time.

## **3. PROBLEM STATEMENT**

The delays in pension contributions and inaccuracies in calculating service years have led to the disadvantages among employees. Late contributions negatively impacted their investment returns, resulting in significantly lower pension payouts than expected. Additionally, inaccuracies in service year calculations further undermined trust in the administration of the fund.

Furthermore, a community group representing members of the GNTPF has raised concerns, claiming that certain members were either not paid or not paid their full dues. They also allege a lack of cooperation from the fund administrators and statutory bodies in addressing these issues and unavailability of housing loan agreements. They claim to have relevant documentation to support their grievances and is willing to share this information the appointed service provider.

Consequently, it is crucial to assess the financial losses incurred by employees due to these delays and inaccuracies, as well as to implement corrective measures to restore confidence in the fund's management and prevent future occurrences.

#### **4. PURPOSE / OBJECTIVE OF THE PROJECT**

The purpose of the project is to assess the financial impact of delays in pension contributions and inaccuracies in service year calculations on employees' pension benefits, determine the extent of the financial losses incurred by employees, identify corrective actions to restore confidence in the management of the Great North Transport Pension Fund (GNTPF), and propose solutions to prevent similar issues in the future.
