	SM conducted the safety briefing.	
3.	In Attendance	All
	All present were instructed to ensure that they complete the attendance register clearly as a roll call will not be done. (See attached attendance register)	
4.	Introductions	Phelokazi Madaki
	PM introduced herself and her role in the project and further gave an opportunity to the project team to introduce themselves and the role they will be playing in the procurement event.	

ITEM	DESCRIPTION	
5.	Project Background and Scope of Works	Amanda Makgoga (AM)
	AM took all in attendance through the scope of works and project background. (See attached presentation)	
6.	Tendering Process & Tender Evaluation Procedure	Phelokazi Madaki (PM)
	PM gave a detailed overview of the stages of evaluation that each Tenderer will undergo during the tender evaluations. (see attached presentation)	
7.	Technical Evaluation/Functionality	Project Team
	The Project Team gave a detailed overview of the technical criteria's set and encouraged Tenderers to ensure that they pay attention to the set scoring guide in order to maximise the opportunity to score higher points. (see attached presentation)	
8.	Specific Goals	Salathiso Xoxo (SX)
	SX presented on the applicable specific goals and evidence to be submitted for claiming preference points for each specific goal in this tender. He further demonstrated the indicators that the Supplier Development team looks at when evaluating a Tenderers BBBEEE valid certificate or Sworn Affidavit. (see attached presentation). Tenderers were advised to ensure that if 3 rd parties are involved in acquiring the companies BBBEE they ensure compliance of their certificates as per the presentation.	
9.	Activity Schedule	Amanda Makgoga (AM)
	AM took the tenderers through the activity schedule and emphasised that the schedule serves as a guideline only and Tenderers can split or combine activities to suit their method. It was further mentioned that Tenderers should note that the provisional sums are not that of the Contractor but that of Transnet. However, on the activity schedule the total to be carried over to the form of offer should include the line provided for provisional sums. It was further emphasised that Tenderers must not be confused with the inclusion of this amount as this amount is included in a contract for work that is foreseen but cannot be specified at the time of the formation of the contract and therefore cannot belong to the Contractor but is that of the Employer.
